

Creeks of Legacy Public Improvement District Project Overview

The Creeks of Legacy Public Improvement District (the “District”) was created by the City Council of the City of Celina on April 29, 2014, pursuant to the Public Improvement District Act, Texas Local Government Code, Chapter 372, as amended (the “Act”), and Resolution No. 2014-17R upon petition of the owners of the taxable real property representing more than 50 percent of the appraised value of taxable real property liable for assessment within the District and the property owners who own taxable real property that constitutes more than 50 percent of the area of all taxable real property that is liable for assessment by the District.

The District was created principally to finance certain public improvement projects for the residential development located within the boundaries of the City of Celina (the “City”). A Service and Assessment Plan was accepted and approved by the City Council on June 18, 2014, pursuant to Ordinance No. 2014-26 (the “Assessment Ordinance”), setting forth the plan for apportioning the costs of certain of the public improvement projects (the “Authorized Improvements”) to be assessed against properties in the District and for payment of special assessments with respect thereto.

The City issued the City of Celina (Creeks of Legacy Public Improvement District Phase #1 Project) Special Assessment Revenue Bonds, Series 2014 in the aggregate amount of \$8,750,000 pursuant to the Act, an Ordinance No. 2014-29 adopted by the City Council on June 18, 2014 and an Indenture of Trust dated as of June 1, 2017 between the City, and the U.S. Bank, N.A. as trustee. The City also approved the Phase #1 Reimbursement Agreement in the aggregate amount of \$3,750,000 pursuant to Ordinance No. 2014-31 adopted by the City Council on June 18, 2014 to finance the remaining costs of the Authorized Improvements in Phase #1.

The Series 2014 Bonds and the Phase #1 Reimbursement Agreement are payable from special assessments levied against each parcel of property within Phase #1 of the District pursuant to the Assessment Ordinance adopted by the City Council. The Act provides that the special assessments (including any reassessment, the expense of collection and reasonable attorney’s fees, if incurred) are (a) a first and prior lien against the property assessed, superior to all other liens and claims except liens or claims for state, county, school district or municipality ad valorem property taxes whether now or hereafter payable, and (b) a personal liability of and charge against the owners of the property to the extent of their ownership regardless of whether the owners are named.
