I. UPDATED INFORMATION

Information updated from the Annual Continuing Disclosure Report dated September 30, 2005 is as follows:

- As of June 30, 2006, leases have been signed with 17 anchor stores and 147 of the proposed 149 specialty stores, totaling 99.08% of the leaseable space within the mall.
- According to the developer, Best Buy and Last Call Neiman Marcus opened on parcels F-1 and D-2, respectively in the spring of 2006.
- According to the developer, actual gross rate per square foot for the mall parcels for the twelve months ending June 30, 2006 was \$311 per square foot.
- As of June 30, 2006, there have been twenty-two lots sold within the auxiliary-use parcel. (See page 11-12 for updated Lot Number and land use descriptions.)
- As of June 30, 2006 the outstanding balance on the \$188 million Hypo Vereinsbank construction loan was zero. The original loan was refinanced into a securitized loan in May of 2003, Morgan Stanley being the originator. The balance on the loan is \$187,000,000, with an interest rate of 4.606%, maturing on June 9, 2010.
- The phased-in assessed value of the taxable property within the district as of July 1, 2006 increased by \$401,389,012 from the base year (\$14,713,200 in 1999) to \$416,103,012.
- At the time tax increment revenues for fiscal year 2006-2007 were estimated, the real property tax rate of \$0.931 from the prior year was used. This resulted in estimated tax increment revenues of \$3,736,939, which were sufficient to pay debt service and administrative expenses for fiscal year 2006-2007. Accordingly, special taxes were not to be levied for fiscal year 2006-2007. (See pages 17 through 22.) Since that time, the county has reduced the real property tax rate from \$0.931 to \$0.918 on each \$100 of the assessed value of taxable, which will result in \$3,726,891 in tax increment revenues for fiscal year 2006-2007. These revenues will be sufficient to pay debt service and administrative expenses for fiscal year 2006-2007. Accordingly, special taxes will not be levied for fiscal year 2006-2007.
- The widening of Dorsey Road was a potential project and only related to the development of the J&K Blocks, which have not occurred. The widening of Dorsey Road was not cancelled, but has not been required as of yet and may not be necessary depending on the future development of Blocks J&K.
- The developer reports that as of June 30, 2006, Arundel Mills has appealed the administrative decision of the Planning and Zoning Officer of Anne Arundel County, Maryland, challenging the right to develop residential uses on Blocks J and K of the Arundel Mills Regional Commercial Complex without

constructing accompanying commercial uses on the Blocks.

II. INTRODUCTION

Anne Arundel County, Maryland (the “County”) issued the \$30,350.00 Series 2004 Refunding Bonds to defease and refund the \$28,000,000 Series 1999 Special Obligation Bonds (Arundel Mills Project). The Series 2004 Refunding Bonds were issued pursuant to the provisions of the Refunding Act, the Tax Increment Act, the Special Taxing District Act, Bill No. 9-04, which was passed by the County Council on March 15, 2004 and approved by the County Executive and enacted on March 18, 2004 (the “Arundel Mills Ordinance”), and an Indenture of Trust, dated as of May 1, 2004 (the “Arundel Mills Indenture”), by and between the County and Manufacturers and Traders Trust Company, as trustee (the “Trustee”).

The property in the special tax district is located in Anne Arundel County, Maryland, and consists of 394 acres of land within the Baltimore/Washington Corridor at the southeast quadrant of the intersection of Maryland Route 100 and the Baltimore-Washington Parkway (Maryland Route 295).

Arundel Mills Limited Partnership is currently developing the property in the district. The development includes a super-regional value and entertainment mall and mixed-use development that includes retail, hotels, and office space.

Pursuant to the Official Statement, (OS) \$30,350,000 in refunding bonds (Series 2004) were sold to refund the Series 1999 Bonds, which were issued to finance the public improvements serving the property located within the special tax district. The county, subject to certain bond tests, may, but does not expect to, issue additional bonds.

Pursuant to the continuing disclosure agreement, the developer and administrator have agreed to provide certain information regarding the development of the property and the operations of the district. These reports are not provided pursuant to Rule 15c2-12.

The information in this report on development activity was provided by the developer (Arundel Mills, Limited Partnership) and is believed to be accurate; however, no effort has been made to independently verify the information.

Baltimore-Washington Regional Map

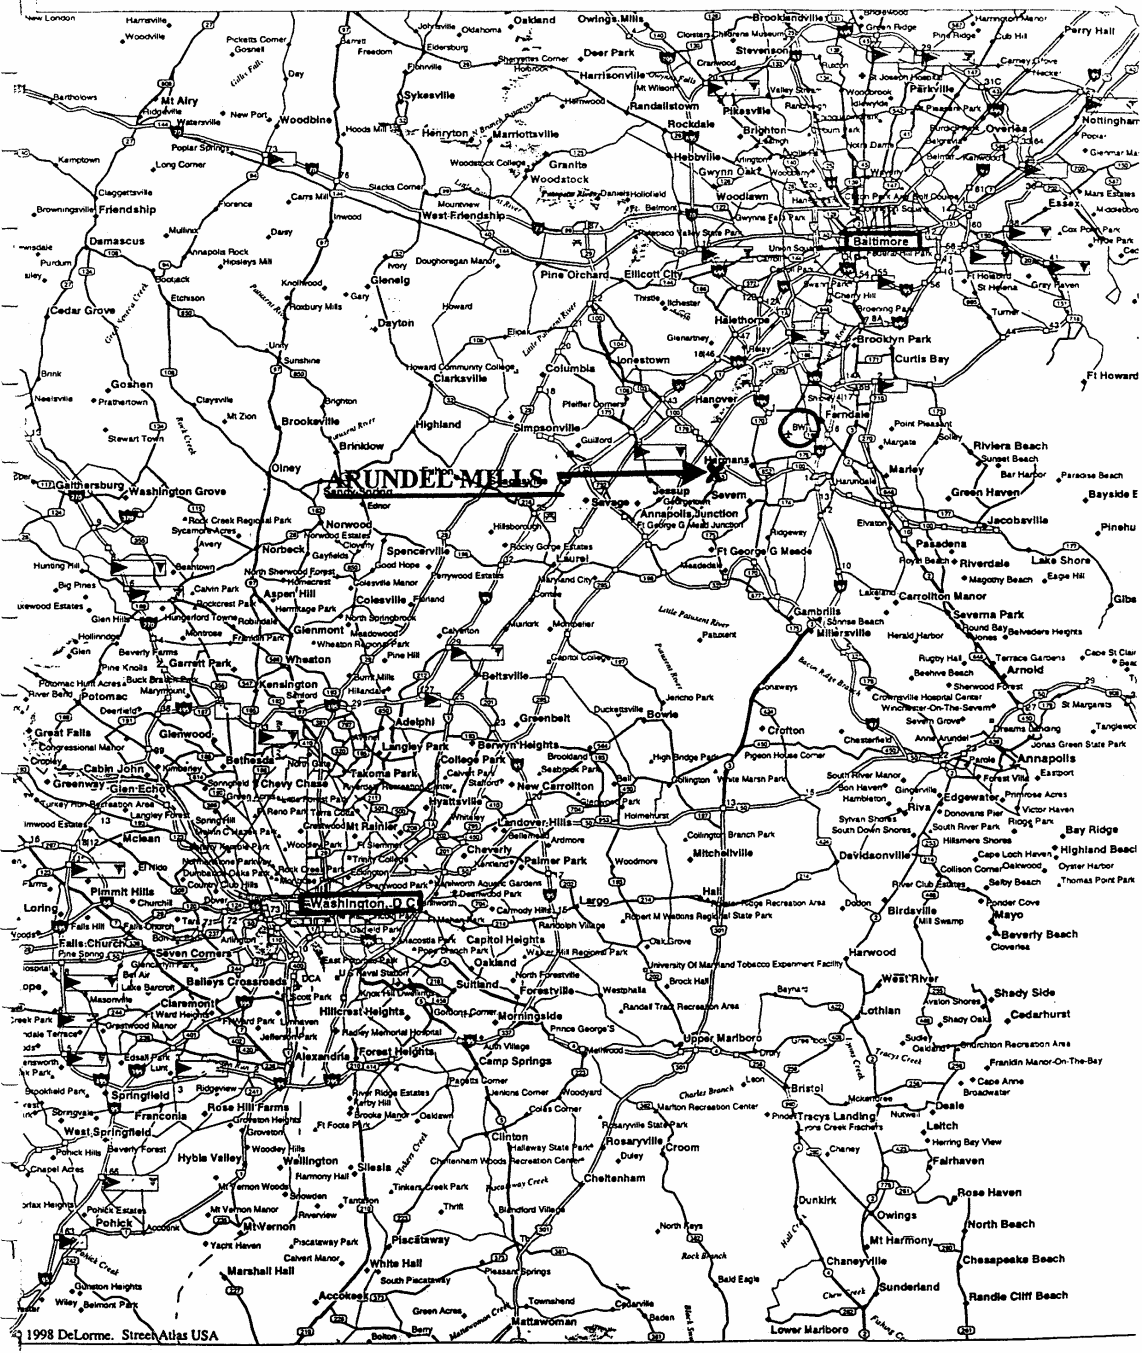

Figure 1 - Regional Location Map

III. DEVELOPMENT ACTIVITY

A. OVERVIEW

The Arundel Mills project is located in Anne Arundel County, Maryland, and consists of approximately 394 acres of land within the Baltimore/Washington Corridor at the southeast quadrant of the intersection of Maryland Route 100 and the Baltimore-Washington Parkway (Maryland Route 295). The land in the district is comprised of two parcels, a site of approximately 174 acres (the mall parcel) and an adjacent site of approximately 220 acres (the auxiliary-use parcel) of which approximately 135 acres are developable. Arundel Mills was planned as a super-regional value and entertainment oriented mall, which will consist, when completed, of approximately 1.6 million square feet of gross floor area. The developer has estimated that when completed, the Arundel Mills Mall would include 1,274,107 square feet of leaseable space.

The developer originally anticipated that 720,000 square feet of leaseable anchor space and 560,000 square feet of leaseable specialty store space would be created. The current plan is for the mall to consist of 17 anchor tenants occupying approximately 761,019 square feet of leaseable area around an oval corridor. Additionally, 149 specialty retail stores, consisting of approximately 513,088 square feet of leaseable area, will complete the outer oval and also occupy portions of the central mall area. The mall includes a multi-screen cinema complex, a food court, several major book and music tenants as well as a number of manufacturing retailers, off-price fashion retailers and category dominant stores (*i.e.*, stores with extensive inventory and selection in a particular market category).

The conceptual plan envisioned by the developer anticipated that the proposed auxiliary-use parcel would be subdivided and developed as theme restaurants, fast food outlets, gas and convenience stores, retail outlets, offices, hotels and a community center. Although the developer had made no commitment to develop the auxiliary-use parcel, the auxiliary-use parcel has been developed by Arundel Mills Residual, LTD an affiliated entity of the Mills Corporation other than the developer.

The construction of public infrastructure improvements funded with bond proceeds included a new interchange along the Baltimore-Washington Parkway, the provision of additional traffic lanes along the Baltimore-Washington Parkway between Maryland Route 100 and Maryland Route 175, the addition of a left turn lane from Ridge Road to Maryland Route 100, the widening of the Maryland Route 100 on-ramp, the extension of the Ridge Road acceleration lane, the construction of Arundel Mills Boulevard, the relocation of Ridge Road, the widening of Dorsey Road as well as water and sewer lines. According to the developer, the widening of Dorsey road has yet to be required due to timing of developing the J/K parcels. Development of these parcels has yet to occur.

Prior to bond issuance, Hypo Vereinsbank (the "Bank") had approved a construction loan to the developer, which was subject to credit approval by the bank. The terms of the construction loan provided a repayment schedule of three years with an option for two one-year extensions, subject to certain conditions, with payments of interest only during the loan period. The maximum balance of the construction loan may not exceed \$188,000,000. The construction loan was secured by a mortgage on the mall parcel. The construction loan and the additional construction cost were refinanced into a permanent loan in May of 2003. The balance on the loan is 187,000,000, with an interest rate of 4.606%, maturing on June 9, 2010.

B. GOVERNMENTAL APPROVALS AND PERMITS

The zoning classification for the property in the district, which was in place at the time the Series 1999 Bonds were issued, is W-1 and C-2, which are commercial zoning categories in the county. The uses allowed under W-1 zoning are automobile service facilities, hotels and motels, professional office and research and development facilities among others. The uses allowed under C-2 zoning are alcoholic beverage sales, restaurants, auxiliary retail services, drug stores, banks and professional offices among others.

Additionally, the county adopted special legislation (Bill No. 62-98, enacted August 23, 1998 and Bill No. 80-98, enacted September 16, 1999) for the Arundel Mills project creating a “Regional Commercial Complex” conditional use within W-1 and C-2 zones. The Regional Commercial Complex conditional use also permits land uses consistent with C-3 zoning, which includes a much broader array of permitted retail uses than a combination of W-1 and C-2. Together, the combined three zoning classifications are expected to accommodate the proposed development of the property.

At the time the Series 1999 Bonds were issued, the governmental approvals and permits issued for the construction of the project included administrative plat review, mass grading permit, concept plan review, wetlands permit, and the foundation and steel erection building permits. The developer had also received verbal approval from the county for adequate public roads.

Subsequently, governmental approvals and permits have been issued for the adequate public roads for Routes 100 and 713, public works and utility agreements, the final building permit, highway access permits, and the widening of the Baltimore-Washington Parkway.

C. STATUS OF DEVELOPMENT

(i.) Status of Mall Construction

The developer hired the Maryland based general contractor, Whiting-Turner Contracting Company, to construct the Arundel Mills Mall and construction commenced in June 1999. The construction of white box space for tenants began on May 16, 2000 and the mall was completed and opened to the public on November 17, 2000. As of June 30, 2006, leases have been signed with 17 anchor stores and 147 out of the proposed 149 specialty stores totaling 99.08% of the leaseable space within the mall.

(ii.) Status of Auxiliary-Use Parcel Construction

The conceptual plan envisioned by the developer anticipated that the proposed auxiliary-use parcel would be developed as theme restaurants, fast food outlets, gas and convenience stores, retail outlets, offices, hotels and a community center.

The developer of the auxiliary-use parcel has been named as Arundel Mills Residual, LTD. Table III-I below shows the status of construction and occupancy of the auxiliary use parcel as of June 30, 2006.

Table III-1
Auxiliary-Use Parcel Construction Status

Owner	Use	Lot	Construction Status	Occupancy Status
Transmills, LLC	Jared's Jewelry	E-4	Complete	Opened on 09/22/01

WSG Hanover One, LLC	Chipotle Restaurant	D-3	Complete	Opened on 11/05/05
Golden Corral of Arundel Mills LLC	Golden Corral	D-4	Complete	Opened on 09/01/04

The developer reports that they have retained ownership of parcels G-2 and M-2 and have signed ground leases with the following tenants for those parcels: Circuit City, PetSmart, Michaels, Mattress Warehouse and Staples for parcel G-2, and a 66,000 square foot annex of the Anne Arundel County Community College for parcel M-2.

The developer reports that the annex of the Anne Arundel County Community College was completed in July of 2003. According to the developer, construction was completed in 2002 for the following tenants, Circuit City, PetSmart, Michaels, and Staples. The developer also reports that construction is complete on the Chipolte Restaurant and the Golden Corral Restaurant,

The developer also reports that construction is complete on the 131-room Residence Inn Hotel located on the parcel owned by Skye Hospitality, which opened in the summer of 2003. The developer also reports that construction is complete on a Safeway (parcel H4/6), which was completed in October of 2003.

(iii.) Leasing Status

Mall Parcel

At the time of issuance of the Series 1999 Bonds, the developer reported that leases with six of the proposed 17 anchors were near completion. Additionally, the developer reported that leases for 17% of the leaseable space reserved for 149 specialty stores were near completion. As of June 30, 2006, leases have been signed with 17 anchor stores and 147 out of the proposed 149 specialty stores totaling 99.08% of the leaseable space within the mall. The total leaseable space is 1,274,107 square feet.

Table III-2 on pages nine and ten provides a list of those anchors and specialty shops that were reported, by the developer, as tenants in the Arundel Mills Mall as of June 30, 2006. According to the developer, Medieval Times opened in the second quarter of 2003. According to the developer, Last Call Neiman Marcus has leased parcel D-2 and Best Buy has leased parcel F-1, and both stores opened in the spring of 2006 as anchor stores. As of June 30, 2006 according to the developer, two stores, Jillian and Sun and Ski, are no longer anchor stores at Arundel Mills. According to the developer, actual gross sales per square foot for the mall parcel for the twelve-month period ending June 30, 2006 was \$311.

(iv.) Status of Lot Sales

Auxiliary-Use Parcel

According to the developer, as of June 30, 2006 there have been twenty-two lots sold, totaling approximately 96.43 acres, within the auxiliary-use parcel. These sales are listed in Table III-3 below. (As shown in Table VI-2 in Section VI, “District Financial Information” below, not all of these lot sales have been recorded by the county.)

The developer reports that construction is complete on the McDonald’s, Jared’s Jewelers, Wendy’s, Chick-Fil-A, Wal-Mart, Costco, Hampton Inn Hotel, Exxon, Chevy Chase Bank, and TGI Friday’s. The developer also reports that construction is complete on a 131-room Residence Inn Hotel on the parcel owned by Skye Hospitality, which opened in the summer of 2003, and that construction is completed on a Safeway (parcel H4/6), which opened in late 2003. According to the developer, as of June 30, 2006, construction on the Chipotle Restaurant and the Golden Corral Restaurants was complete. Parcel I-1/2/3/4/ was sold in December 2003 to Arundel HGR, LLC to use for 300,000 square feet of office space, 128-room Spring Hill Suites, Hotel, and day care. According to the developers report from June 30, 2006, in December 2005 parcel B-1 was sold to Skye Arundel V, LLC to develop 110-Town Place Suites.

**Table III-3
Auxiliary-Use Parcel Lot Sales**

(v.) Status of Financing

Prior to bond issuance, Hypo Vereinsbank (the “Bank”) had approved a construction loan to the developer, which was subject to credit approval by the bank. The terms of the construction loan provided a repayment schedule of three years with an option for two one-year extensions, subject to certain conditions, with payments of interest only during the loan period. The maximum balance on the construction loan may not exceed \$188,000,000. Conditions to closing on the construction loan included: an initial equity contribution by the developer of \$70,000,000, issuance of the Series 1999 Bonds, executed leases for at least 25% of the leaseable mall parcel, and an appraisal verifying a loan to value ratio of not less than 75% on the mall parcel upon completion of Arundel Mills.

At the time the Series 1999 Bonds were issued, the developer anticipated that closing on the construction loan would take place no later than January 2000. According to the developer, financing of the construction loan closed on May 22, 2000.

The original loan was refinanced into a securitized loan in May of 2003, Morgan Stanley being the originator. The balance on the loan is 187,000,000, with an interest rate of 4.606%, maturing on June 9, 2010.

D. PUBLIC IMPROVEMENTS

The proceeds of the original bonds were used to fund the costs of public improvements required for the development of the Arundel Mills project. In order to serve the project, the developer anticipated the construction of the following public improvements: a new interchange along Baltimore-Washington Parkway, the provision of additional traffic lanes along the Baltimore-Washington Parkway between Maryland Route 100 and Maryland Route 175, the addition of a left turn lane from Ridge Road to Maryland Route 100, the widening of the Maryland Route 100 on-ramp, the extension of the Ridge Road acceleration lane, the construction of Arundel Mills Boulevard, the relocation of Ridge Road, the widening of Dorsey Road as well as water and sewer lines.

The widening of Dorsey Road was a potential project and only related to the development of the J&K Blocks, which have not occurred. As such, the widening of Dorsey Road was not cancelled, but has not been required as of yet and may not be necessary depending on the future development of these blocks.

The new interchange along the Baltimore-Washington Parkway, the addition of new lanes to the Baltimore-Washington Parkway and a portion of the construction of Arundel Mills Boulevard are not necessary for the development of the mall parcel. The costs related to such improvements were expected to be funded by the developer to the extent proceeds of the Series 1999 Bonds were not sufficient.

Table III-4 below shows the current status of the construction of the public improvements as of June 30, 2006. Table III-5 on the following page shows the budget for the public improvements and construction draws as of June 30, 2006.

Table III-4
Status of Public Infrastructure Construction

Construction Activity	Percent Complete	Status
Construction of Interchange along MD Route 295	100%	Complete
Additional Lanes along MD Route 295	100%	Complete

IV. TRUSTEE ACCOUNTS

The trustee for the Series 2004 Bonds is Manufacturers and Traders Trust (formerly Allfirst Trust Company, National Association). The following table shows the December 31, 2005 balance, interest paid, additional proceeds, disbursements, and account balance as of June 30, 2006:

Table IV-1

	Balance 12/31/05	Interest Paid	Additional Proceeds	Disbursements	Balance 06/30/06
Escrow Deposit Fund	\$32,103,839	\$565,380	\$0	\$994,000	\$31,675,219
Administrative Expense	\$14,989	\$273	\$0	\$11,912	\$3,351
Debt Service Fund	\$51	\$0	\$750,927	\$750,978	\$0
Total	\$32,118,879	\$565,654	\$750,927	\$1,756,890	\$31,678,570

Additional proceeds to the debt service fund were transfers of tax increment revenues held by the county and used to pay debt service on the Series 2004 Bonds. Moreover, \$31,675,219 is being held in an Escrow Fund to defease the Series 1999 Bonds.

The interest paid through June 30, 2006 does not include interest accrued but not yet paid. Table IV-2 below shows the current rate of return on the investments. Remaining bond proceeds are invested in U.S. Treasury money market accounts earning between 3.54 and 4.42%.

Investment income on the debt service fund will be applied to the payment of debt service. Investment income on the administrative expense fund will remain in the fund and will be used to pay administrative expenses.

Table IV-2

Account	Rate of Return
Escrow Deposit Fund	3.54%
Administrative Expense	4.42%

V. DISTRICT OPERATIONS

A. SPECIAL TAX REQUIREMENT

A special tax is to be levied up to the maximum special tax rate in an amount equal to the special tax requirement. The special tax requirement is generally equal to (i) annual debt service, (ii) other expenses of the country related to the district, less (iii.) tax increment revenues.

Table V-1 provides a summary of the special tax requirement for fiscal year 2006-2007. Tax increment revenues will be sufficient to pay debt service on the bonds and administrative expenses. Accordingly, the special tax requirement for the 2006-2007 is zero. Each of these numbers is explained in the following sections.

Table V-1
Fiscal Year 2006-2007 Special Tax Requirement

Debt Service:	
Interest on January 1, 2007	\$750,978
Interest on July 1, 2007	\$750,978
Principal on July 1, 2007	\$0
<i>Sub-total debt service</i>	\$1,501,956
Administrative Expenses	\$16,000
Contingency	\$50,000
<i>Total expenses</i>	\$1,567,956
Tax Increment Revenues (FY06-07)	(\$3,736,939)
Surplus from Prior Year	(\$0)
<i>Special Tax Requirement</i>	\$0

(i.) Debt Service

Debt service includes interest payments of \$750,978.13 on the Series 2004 Bonds due on January 1, 2007 and July 1, 2007. These payments equal interest for six months on the following term bonds:

Serial Bonds of:	
\$300,000 at 3.00%	\$9,000.00
\$705,000 at 3.50%	\$24,675.00
\$630,000 at 4.00%	\$25,200.00
\$950,000 at 4.50%	\$42,750.00
\$1,040,000 at 4.50%	\$46,800.00

\$1,140,000 at 4.50%	\$51,300.00
\$1,240,000 at 4.50%	\$55,800.00
\$1,345,000 at 5.125%	\$68,931.25
\$1,470,000 at 5.125%	\$75,337.50
\$1,600,000 at 5.125%	\$82,000.00
\$1,740,000 at 5.125%	\$89,175.00
\$1,890,000 at 5.125%	\$96,862.50
\$2,040,000 at 5.125%	\$104,550.00
\$2,205,000 at 5.125%	\$113,006.25
Term 2013 Bonds of \$1,000,000 at 5.00%	\$50,000.00
Term 2029 Bonds of \$11,055,000 at 5.125%	\$566,568.75
Total:	\$1,501,956.25

There is no principal amount due on July 1, 2007; total debt service is, therefore, \$1,501,956.25.

(ii.) Administrative Expenses

Administrative expenses include the trustee, the administrator, and the expenses of the county related to the district. The annual charges of the trustee are estimated to be \$4,500.00. The fees and expenses of the administrator are estimated to be \$8,500.00. The expenses of the county are estimated to be \$3,000.00. Accordingly, the total administrative expenses are estimated at \$16,000.00.

(iii.) Contingency

A contingency, equal to approximately three percent of annual debt service, has been added in case there are unanticipated expenses or property tax delinquencies.

(iv.) Tax Increment Revenues

The full cash value of the taxable property in the tax increment district for the base year was equal to \$14,713,200, resulting in assessed value of \$5,885,280. The phased-in full cash value of the taxable property in the district as of July 1, 2006 is \$416,103,012. Beginning with fiscal year 2001-2002, assessed value is equal to full cash value; accordingly, the assessed value of the taxable property in the district for fiscal year 2006-2007 is equal to the full cash value, that is, \$416,103,012. The incremental assessed value is, therefore, equal to \$401,389,012 (\$416,103,012 - \$14,713,200 = \$401,389,812). The incremental value is calculated based on the full cash value in the base year, since the effect of converting to an assessed value equal to full cash value is intended to be revenue neutral.

The real property tax rate for Anne Arundel County in fiscal year 2005-2006 was equal to \$0.931 per \$100 of assessed value. For purposes of estimating tax increment revenues for fiscal year 2006-2007, the same real property tax rate of \$0.931 is assumed. Accordingly, based on the incremental assessed value in the district and the real property tax rate, the tax increment revenues are estimated to be equal to \$3,736,939.15.

(v.) Surplus from Prior Year

The estimated surplus from the prior year that may be applied to pay debt service and administrative expenses in fiscal year 2006-2007 is shown below in Table B. Tax increment revenues were estimated to be \$3,507,522.22 for fiscal year 2005-2006. According to Anne Arundel County, \$3,415,305.00 in tax increment revenues, representing 100 percent of the tax increment revenues due for fiscal year 2005-2006, has been collected. According to the county, the \$92,217.00 decrease between the estimated and actual tax increment revenues for fiscal year 2005-2006 is explained by a decrease in the real property tax rate from \$0.941 to \$0.931 per \$100 of assessed value and an aggregate decrease in the assessed value of \$5,901,466 on the taxable property within the district by the Maryland State Assessor's Office.

Anne Arundel County transferred \$750,927.11 to the trustee on January 3, 2006. Together with existing balance of \$51.03, these funds were used to make the semi-annual debt service payment of \$750,978.13 on January 1, 2006. As a result, the county is currently holding additional tax increment revenues totaling \$2,664,377.89. As of March 31, 2006, the balance in the debt service fund was \$51.03. Together with the balance currently held in the debt service fund, a portion of the tax increment revenues held by the county will be transferred to make the semi-annual debt service payment of \$750,978.13 on the Series 2004 Bonds on July 1, 2006, resulting in a surplus of tax increment revenues of \$1,913,450.79. The balance of these revenues may be transferred to the general fund and are, therefore, not assumed to be available to pay debt service and administrative expenses in fiscal year 2006-2007.

**Table V-2
Surplus from Prior Year**

Debt Service:	
Interest on July 1, 2006	\$750,978
Principal on July 1, 2006	\$0
<i>Total Debt Service</i>	\$750,978
Available Funds:	
TIF Revenues held by county	\$2,664,378
Debt Service Fund Balance at March 31, 2006	\$51
<i>Total Available Funds</i>	\$2,664,729
Funds transferred to the County's General Fund	\$1,913,451
Surplus from Prior Year	\$0

As a result, the surplus estimated to be available to be applied to the budget for fiscal year 2006-2007 is zero.

Summary

The total expenses of the district for fiscal year 2006-2007 are estimated to be equal to \$1,567,956.25. Tax increment revenues available to pay expenses are estimated to be \$3,736,939.15. As a result, special taxes will not be levied for fiscal year 2006-2007, resulting in a special tax rate of zero.

B. SPECIAL TAXES LEVIED AND COLLECTED

Table V-3 on the next page shows the account number, acreage, the special tax rate and the special tax to be levied on each parcel of taxable property for the fiscal year 2006-2007. (Parcel numbers 4005-9010-9464 and 4005-9010-9469 are flood plain parcels owned by Anne Arundel County and are, therefore, excluded for the purposes of calculating assessed values, tax increment revenues and special taxes.) There will be no special taxes levied on the property within the district for the 2006-2007 taxable year. As a result, special taxes will not be collected.

Table V-3
Special Taxes Levied and Collected

Account Number	Acreage	Special Tax Rate (\$ Per \$100 of AV)	Special Tax Levy
400590109464	16.49	\$0.00	\$0.00
400590109465	185.92	\$0.00	\$0.00

400590213973	0.99	\$0.00	\$0.00
400590213974	1.62	\$0.00	\$0.00
400590213975	1.52	\$0.00	\$0.00
Total	414.86	\$0.00	\$0.00

C. DELINQUENT PROPERTY TAXES

According to the county, \$3,507,522 in tax increment revenues was collected from property owners within the district in fiscal year 2005-2006. There are no delinquent fiscal year 2005-2006 ad valorem taxes. The total expenses of the district for fiscal year 2006-2007 are estimated to be equal to \$1,567,956.25. Tax increments revenues available to pay expenses are estimated to be \$3,736,939.15. As a result, special taxes will not be levied for the fiscal year 2006-2007. Accordingly, there are no delinquent special taxes at this time.

D. COLLECTION EFFORTS

There are no collection efforts underway at this time.

VI. DISTRICT FINANCIAL INFORMATION

The information provided in this section is to meet the requirements for the annual report as provided for in Section 2(a) of the Continuing Disclosure Agreement. The items listed below are in the same format and order as the items required for the annual report as listed in the Continuing Disclosure Agreement.

All information in this section is provided as of June 30, 2006, unless otherwise stated.

A. FUND BALANCES

The fund balances in all of the funds and accounts provided for in the Indenture of Trust are included in Table IV-1 of Section IV, "Trustee Accounts," of this report.

B. CHANGES TO THE RATE AND METHOD OF APPORTIONMENT

There have been no changes to the Rate and Method of Apportionment of Special Taxes by the county since the bonds were issued.

C. CHANGES IN THE AD VALOREM TAX RATES

According to the county, the ad valorem tax rate decreased from \$0.931 to \$0.918 per \$100 of assessed value for fiscal year 2006-2007.

D. CHANGES IN ASSESSED VALUE OF REAL PROPERTY

Table VI-1 below shows the phased-in assessed value of the taxable property within the district as of July 1, 2006. Since the base year, January 1, 2000, the assessed value of the property within the district has increased by \$401,389,812. (For comparison purposes, the base year assessed values totaling \$5,885,280 were adjusted by utilizing the full cash value of \$14,713,200 in order to calculate the incremental change from the base year. Parcel numbers 400590109464 and 400590109469 are flood plain parcels owned by Anne Arundel County and are, therefore, excluded for the purposes of calculating assessed values and tax increment revenues.)

Table VI-1
Phased-In Assessed Value of Property

Owner	Land Use	Acreage	Assessed Value (07/01/06)
Arundel Mills Residual, LP	Vacant land	7.27	\$3,998,500

TOTAL:		414.86	\$416,103,012

E. DISTRICT SPECIAL TAXES LEVIED

The amount of special taxes requirements for fiscal year 2006-2007 is shown in Table V-1 of Section V, “District Operations,” of this report as zero. Accordingly, there will be no special taxes levied or collected in fiscal year 2006-2007.

F. STATUS OF COLLECTION OF AD VALOREM AND SPECIAL TAXES

According to Anne Arundel County, \$3,507,522 in tax increment revenues, representing 100% of the tax increment revenues due for fiscal year 2005-2006, has been collected. Special taxes were not levied in fiscal year 2006-2007. As a result, there are no delinquent TIF or special taxes.

G. PROPERTY OWNERSHIP

The current ownership of the property within the district is shown in Table VI-2 below. Utilizing assessed value as a surrogate for the total levy of all ad valorem and special taxes levied, in addition to the property taxes on property owned by Mills related entities, the tax burden on the parcels owned by Piney-100 Land and Wal-Mart marginally exceeds 5% of the total levy of all ad valorem and special taxes.

Table VI-2
Property Ownership

Owner	Land Use	Total Assessed Value	Percent of Total
Arundel Mills, LTD Partnership	Mall	\$249,936,732	60.07%
Arundel Mills Residual, LTD Partnership	Vacant land	\$11,583,333	2.78%

TOTAL:		\$416,103,012	100.00%

H. LAND USE AMMENDMENTS

The developer reports that as of June 30, 2006, no significant amendments to land use entitlements or legal challenges to the construction of the project have been made.

I. CHANGES TO DEVELOPMENT

The developer reports that as of June 30, 2006, the county has approved no changes to the plan of development. The developer reports that as of June 30, 2006, no significant amendments to land use entitlements or legal challenges to the construction of the project have been made. Arundel Mills has appealed the administrative decision of the Planning and Zoning Officer of Anne Arundel County, Maryland, challenging the right to develop residential uses on Blocks J and K of the Arundel Mills Regional Commercial Complex without constructing accompanying commercial uses on the Blocks.

J. DEBT SERVICE SCHEDULES

Debt service coverage from tax increment revenues, special taxes and maximum special taxes are shown by the following table:

Table VI-3
Debt Service Coverage

Debt Service (bond year ending July 1, 2007)	\$1,501,956
Base Year Assessed Value (January 1, 1999)	\$14,713,200
Phased-in Assessed Value July 1, 2006	\$416,103,012
Increase in Assessed Value	\$401,389,012
County Tax Rate (FY 2006-2007)	\$0.918
Tax Increment Revenues	\$3,726,891
Debt Service Coverage	248.1%
Special Tax Levied (FY 2006-2007)	\$0
Debt Service Coverage	0.00%
Maximum Special Tax Rate (FY 2006-2007)	\$0.539
Maximum Special Tax (FY 2006-2007)	\$2,164,987
Debt Service Coverage	144.1%
Note: Special taxes may only be levied to the extent necessary to pay debt service after taking into account tax increment revenues.	

VII. SIGNIFICANT EVENTS

A. DEVELOPER SIGNIFICANT EVENTS

According to the continuing disclosure agreement, developer significant events include the following:

- (i) failure to pay any real property taxes (including the special taxes) levied within the district on a parcel owned by the developer or any affiliate thereof;
- (ii) material damage to or destruction of any development or improvements within the district;
- (iii) the exercise of an option to purchase or sell or the purchase or sale of any land within the district by the developer;
- (iv) material default by the developer or any affiliate thereof on any loan with respect to the construction or permanent financing of Arundel Mills, the project or the development, if any, of the auxiliary-use parcel;
- (v) material default by the developer or any affiliate thereof on any loan secured by property within the district owned by the developer or any affiliate of the developer;
- (vi) payment default by the developer or any affiliate thereof on any loan to such party (whether or not such loan is secured by the property within the district);
- (vii) the filing by or against the developer or any affiliate thereof, the general partner of the developer or any owners of more than 25% interest in the developer of any petition or other proceeding under any bankruptcy, insolvency or similar law or any determination that the developer or owner of interest in the developer or a subsidiary of the developer or any affiliate thereof is unable to pay its debts as they become due; and
- (viii) the filing of any lawsuit with claim for damages in excess of \$1,000,000 against the developer which may adversely affect the completion of Arundel Mills, the project or the sale or development of the auxiliary-use parcel or litigation in excess of \$1,000,000, which would materially adversely affect the financial condition of the developer.

Inquiries have been made with the developer regarding the occurrence of any significant event and they have reported that except for the sale of parcel B-1 on December 15, 2005, there have been no additional significant events as of June 30, 2006.

B. LISTED EVENTS

Pursuant to the Continuing Disclosure Agreement, listed events include the following:

- (i) delinquency in payment when due of any principal of or interest on the bonds;
- (ii) occurrence of any material default under the indenture (other than described in clause (i) above);
- (iii) amendment to the indenture modifying the rights of the bondholders;
- (iv) giving of notice of optional or unscheduled redemption of bonds;
- (v) defeasance of bonds or any portion thereof;
- (vi) any change in the rating, if any, on the bonds;
- (vii) adverse tax opinions or events affecting the tax-exempt status of the bonds;
- (viii) the release or substitution of property securing repayment of the bonds; and
- (ix) the continuing disclosure event notices provided to the administrator by the developer as more particularly set forth in the developer's continuing disclosure agreement so long as the developer owns property in the district.

The administrator is not aware of the occurrence of any listed event as of the date of this report (October 20, 2006).
