North Improvement Area – Lot Size – Condo**

Project Overview

The Bayside Public Improvement District (the “District”) was created by the City of Rowlett City Council on September 15, 2015, pursuant to the Public Improvement District Assessment Act, Texas Local Government Code, Chapter 372, as amended (the “Act”), and Resolution RES-113-15 upon petition of the owners of the taxable real property representing more than 50 percent of the appraised value of taxable real property liable for assessment within the District and the property owners who own taxable real property that constitutes more than 50 percent of the area of all taxable real property that is liable for assessment by the District.

The District was created principally to finance certain public improvements (the “Authorized Improvements”) that specially benefit assessed property in the District. All of the property in the District was located within the City of Rowlett (the “City”). On March 1, 2016, the City Council adopted Ordinance No. ORD-012-16 that approved a Service and Assessment Plan for the District (the "Service and Assessment Plan") and levied special assessments (the "North Improvement Area Assessments") on certain property within the District in accordance with the Assessment Roll attached as Appendix B to the Service and Assessment Plan. The Assessments may be prepaid in whole or in part at any time or may be paid in annual installments as provided by the Act and the Service and Assessment Plan. On October 12, 2021, the Service and Assessment Plan was amended and restated (the “Amended and Restated Service and Assessment Plan”) to account for changes in the revised development plan provided in August 2021 for the North Improvement Area.

The City issued the City of Rowlett Special Assessment Revenue Bonds, Series 2016 (Bayside Public Improvement District North Improvement Area Project) in the aggregate principal amount of \$13,515,000 pursuant to the Act, Ordinance No. ORD-013-16 adopted by the City Council on March 1, 2016 and an Indenture of Trust dated as of March 1, 2016 between the City and Wilmington Trust, National Association, as trustee.

All Assessments that are not paid in full will be billed in annual installments and collected each year by the City, or its designee, as provided in the Service and Assessment Plan. Annual Installments are due and payable as provided on the annual installment assessment bill. Annual installments are expected to be billed and collected on the same schedule as property taxes. The Assessments, including the annual installments thereof, are (a) a first and prior lien against the property assessed, superior to all other liens and claims except liens or claims for state, county, school district or other political subdivision ad valorem property taxes, whether now or hereafter payable, and (b) a personal liability of and charge against the owners of the property to the extent of their ownership regardless of whether the owners are named.

More information concerning the District, the Assessments and the due dates of the Annual Installments of the Assessments may be obtained from MuniCap, Inc., the District Administrator for the City, located at 600 E. John Carpenter Freeway, Suite 150, Irving, Texas 75062 and available by telephone at (469) 490-2800 or (866) 648-8482 (toll free) and email at txpid@municap.com.
