

**Creeks of Legacy Public Improvement District
Phase #2 – Lot Type 3- 50 FT
Project Overview**

The Creeks of Legacy Public Improvement District (the “District”) was created by the City Council of the City of Celina on April 29, 2014, pursuant to the Public Improvement District Act, Texas Local Government Code, Chapter 372, as amended (the “Act”), and Resolution No. 2014-17R upon petition of the owners of the taxable real property representing more than 50 percent of the appraised value of taxable real property liable for assessment within the District and the property owners who own taxable real property that constitutes more than 50 percent of the area of all taxable real property that is liable for Assessment by the District.

The District was created principally to finance certain public improvement projects for the residential development located within the boundaries of the City of Celina (the “City”). A Service and Assessment Plan was accepted and approved by the City Council on June 18, 2014, pursuant to Ordinance No. 2014-26 (the “Assessment Ordinance”), setting forth the plan for apportioning the costs of certain of the public improvement projects (the “Authorized Improvements”) to be assessed against properties in the District and for payment of Special Assessments with respect thereto.

The City issued the City of Celina Special Assessment Revenue Bonds, Series 2014 in the aggregate amount of \$6,575,000 (Creeks of Legacy Public Improvement District Phases #2-3 Major Improvement Project) (the “MIA Bonds”) pursuant to the Act, an ordinance adopted by the City Council, and an Indenture of Trust dated as of June 1, 2014 between the City, and the U.S. Bank, N.A. as trustee, to finance the costs of the Major Authorized Improvements within the District. The City also approved the City of Celina Special Assessment Revenue Bonds, Series 2018 in the aggregate amount of \$6,875,000 (Creeks of Legacy Public Improvement District Phase #2 Project) (the “Phase #2 Bonds”) pursuant to an ordinance adopted by the City Council to finance the costs of the Authorized Improvements in Phase #2.

Phase #2’s pro-rata share of the MIA Bonds and the Phase #2 Bonds are payable from Special Assessments levied against each parcel of property within Phase #2 of the District pursuant to the Assessment Ordinance adopted by the City Council. The Act provides that the special assessments (including any reassessment, the expense of collection and reasonable attorney’s fees, if incurred) are (a) a first and prior lien against the property assessed, superior to all other liens and claims except liens or claims for state, county, school district or municipality ad valorem property taxes whether now or hereafter payable, and (b) a personal liability of and charge against the owners of the property to the extent of their ownership regardless of whether the owners are named.

More information concerning the District, the Phase #2 Assessments and the due dates of the Annual Installments of the Phase #2 Assessments may be obtained from MuniCap, Inc., the District Administrator for the City, located at 600 E. John Carpenter Freeway, Suite 150, Irving, Texas 75062 and available by telephone at (469) 490-2800 or (866) 648-8482 (toll free).

Creeks of Legacy Public Improvement District (PID)
& Reinvestment Zone Number Two (TIRZ)

Example of TIRZ Credit Application

The property in the PID is also located in the City of Celina Tax Increment Reinvestment Zone No. 2. The City has committed to use approximately 47.6% of the annual incremental City ad valorem property taxes collected from a property in the current tax year as a credit (the “TIRZ Credit”) to reduce the PID annual installment of assessments due in the following year.

If a property owner is to receive a TIRZ Credit, the Annual Installment shown on their tax statement will be the projected Annual Installment shown in the attached schedule **LESS** any TIRZ Credit.

The following **hypothetical example** illustrates the application of the TIRZ Credit:

A) Estimates for illustration purposes:

Estimated prorated base year (2014) taxable value = \$1,000

Estimated current year (2022) taxable value = \$295,000

Estimated current (2022) incremental value = \$294,000 (i.e. \$295,000 - \$1,000)

Estimated current (2022) City tax rate per \$100 of taxable value = \$0.645

Estimated PID current (2022) annual installment of Assessment = \$2,043

Estimated PID next (2023) annual installment of Assessments = \$1,875

B) Estimated City incremental tax:

\$1,896 [i.e., $(\$294,000 \div 100) \times \$0.645 = \$1,896$]

C) Estimated TIRZ Credit:

\$902 (i.e., $\$1,896 \times 47.6\% = \902)

D) PID current annual installment due (2022):

\$2,462 with no prior year TIRZ Credit

E) Estimated PID next annual installment due (2023):

\$973 (i.e., $\$1,875 - \$902 = \$973$) after application of the \$902 TIRZ Credit

PLEASE NOTE THAT THE ABOVE CALCULATIONS ARE ONLY INTENDED TO ILLUSTRATE APPLICATION OF THE TIRZ CREDIT AND DO NOT REPRESENT ANY ACTUAL OR PROJECTED AMOUNTS OF TAXABLE VALUES, CITY TAX RATES AND PID ANNUAL INSTALLMENTS.
