Improvement Area #3  
Lot Type 4 – 50 FT Lots**

**Project Overview**

The Valencia Public Improvement District (the “District”) was created by the Town Council of the Town of Little Elm on September 17, 2013, pursuant to the Public Improvement District Act, Texas Local Government Code, Chapter 372, as amended (the “Act”), and Resolution No. 09171301 upon petition of the owners of the taxable real property representing more than 50 percent of the appraised value of taxable real property liable for assessment within the District and the property owners who own taxable real property that constitutes more than 50 percent of the area of all taxable real property that is liable for assessment by the District.

The District was created principally to finance certain public improvement projects for the residential development located within the boundaries of the Town of Little Elm (the “Town”). A Service and Assessment Plan was accepted and approved by the Town Council on February 13, 2014, pursuant to Ordinance No. 1200 (the “Assessment Ordinance”), setting forth the plan for apportioning the costs of certain of the public improvement projects (the “Authorized Improvements”) to be assessed against properties in the District and for payment of special assessments with respect thereto.

An Updated Service and Assessment Plan for Improvement Area #3 of the District was accepted and approved by the Town Council on December 7, 2021, (the “Improvement Area #3 Assessment Ordinance”), setting forth the plan for apportioning the costs of certain public improvement projects to be assessed against properties within Phase #2B-1 and Phase #3B, collectively Improvement Area #3 (the “Improvement Area #3”) of the District and for payment of special assessments with respect thereto. The Bonds were issued for the Phase #2B-1 Authorized Improvements and to replace the Phase #3B portion of the Phase #2 Reimbursement Agreement. The Improvement Area #3 parcels has a proportionate share of the Series 2018 Major Improvement Area Bonds to finance the cost of the Major Authorized Improvements.

On December 7, 2021 the Town approved the issuance of the Town of Little Elm (Valencia on the Lake Public Improvement District Improvement Area #3 Project) Special Assessment Revenue Bonds, Series 2021 (the “Bonds”) in the aggregate amount of \$5,405,000 pursuant to the Act, an ordinance adopted by the Town Council on December 7, 2021 and an Indenture of Trust dated as of December 1, 2021 between the Town, and Wilmington Trust, National Association, as Trustee.

The Bonds and the Series 2018 Bonds are payable from special assessments levied against each parcel of property within Improvement Area #3 of the District pursuant to the Assessment Ordinances adopted by the Town Council. The Act provides that the special assessments (including any reassessment, the expense of collection and reasonable attorney’s fees, if incurred) are (a) a first and prior lien against the property assessed, superior to all other liens and claims except liens or claims for state, county, school district or municipality ad valorem property taxes whether now or hereafter payable, and (b) a personal liability of and charge against the owners of the property to the extent of their ownership regardless of whether the owners are named.

More information concerning the amount of the assessment and the due dates of that assessment may be obtained from MuniCap, Inc., the District Administrator for the Town, located at 600 East John Carpenter Freeway, Suite 150, Irving, TX 75062 and available by telephone at (469) 490-2800 or (866) 648-8482 (toll-free) and email at [txpid@municap.com](mailto:txpid@municap.com).
