FORT WORTH, TEXAS****ANNUAL SERVICE PLAN UPDATE – FISCAL YEAR 2025****A. Introduction**

The Fort Worth Public Improvement District No. 16 (Walsh Ranch/Quail Valley) (the "PID") was created pursuant to the PID Act and a resolution of the City Council on September 27, 2016 to finance certain Authorized Improvements for the benefit of the property in the PID.

Improvement Area #1

In conjunction with the PID creation, the City and the Developer entered into the Improvement Area #1 Reimbursement Agreement, pursuant to which the City agreed, subject to the terms and conditions set forth therein, to reimburse the Developer for a portion of the Actual Costs of those Authorized Improvements for Improvement Area #1 funded by the Developer for the benefit of the property within Improvement Area #1 of the PID. The total principal amount of reimbursements payable to the Developer under the Improvement Area #1 Reimbursement Agreement is \$6,350,000 (the "IA #1 Reimbursement Amount," as defined therein). In addition, the City agreed to pay interest on the unpaid IA #1 Reimbursement Amount from time to time at the rates specified in the Improvement Area #1 Reimbursement Agreement (such interest, together with the unpaid IA #1 Reimbursement Amount, are defined collectively in the Improvement Area #1 Reimbursement Agreement as the "IA #1 Reimbursement Balance").

An initial service and assessment plan (the "Service and Assessment Plan") was prepared at the direction of the City identifying the Authorized Improvements to be provided by the PID for Improvement Area #1 (the "Improvement Area #1 Funded Improvements"), the costs of the Improvement Area #1 Funded Improvements, the indebtedness to be incurred for the Improvement Area #1 Funded Improvements pursuant to the Improvement Area #1 Reimbursement Agreement, and the manner of assessing the property in the PID for the costs of the Authorized Improvements. Pursuant to the Service and Assessment Plan and the Improvement Area #1 Reimbursement Agreement, the City has agreed to begin the collection of Assessments upon the completion of the Authorized Improvements in Improvement Area #1. In addition, the City may, in its discretion and at the request of the Developer, issue PID Bonds to accelerate and monetize some or all of the amounts payable under an applicable PID Reimbursement Agreement (including the Improvement Area #1 Reimbursement Agreement) pursuant to the conditions stipulated in the Service and Assessment Plan and summarized herein. The City has also reserved the right to perform the billing and collection activities itself, or have another qualified entity perform these functions on its behalf.

The City also adopted the assessment roll (the "IA #1 Assessment Roll") identifying the assessments on each Parcel of Assessed Property within the Improvement

Area #1 of the PID, based on the method of assessment identified in the Service and Assessment Plan.

Improvement Area #2

On September 1, 2020, the City and the Developer entered into the Improvement Area #2 Reimbursement Agreement, pursuant to which the City agreed, subject to the terms and conditions set forth therein, to reimburse the Developer for a portion of the Actual Costs of those Authorized Improvements for Improvement Area #2 funded by the Developer for the benefit of the property within Improvement Area #2 of the PID. The total principal amount of reimbursements payable to the Developer under the Improvement Area #2 Reimbursement Agreement is \$5,850,000 (the "IA #2 Reimbursement Amount," as defined therein). In addition, the City agreed to pay interest on the unpaid IA #2 Reimbursement Amount from time to time at the rates specified in the Improvement Area #2 Reimbursement Agreement (such interest, together with the unpaid IA #2 Reimbursement Amount, are defined collectively in the Improvement Area #2 Reimbursement Agreement as the "IA #2 Reimbursement Balance").

Pursuant to the Updated Service and Assessment Plan and the Improvement Area #2 Reimbursement Agreement, the City has agreed to begin the collection of Assessments upon the completion of the Authorized Improvements in Improvement Area #2. In addition, the City may, in its discretion and at the request of the Developer, issue PID Bonds to accelerate and monetize some or all of the amounts payable under an applicable PID Reimbursement Agreement (including the Improvement Area #2 Reimbursement Agreement) pursuant to the conditions stipulated in the Service and Assessment Plan and summarized herein. The City has also reserved the right to perform the billing and collection activities itself, or have another qualified entity perform these functions on its behalf.

The City also adopted the assessment roll (the "IA #2 Assessment Roll") identifying the assessments on each Parcel of Assessed Property within the Improvement Area #2 of the PID, based on the method of assessment identified in the Updated Service and Assessment Plan. This Annual Service Plan Update also updates the Improvement Area #2 Assessment Roll for tax year 2023.

Improvement Area #3

On September 27, 2022, the City and the Developer entered into the Improvement Area #3 Reimbursement Agreement, pursuant to which the City agreed, subject to the terms and conditions set forth therein, to reimburse the Developer for a portion of the Actual Costs of those Authorized Improvements for Improvement Area #3 funded by the

This Annual Service Plan Update also updates the Improvement Area #3 Assessment Roll for tax year 2023.

Improvement Areas #1-3 Bonds

On June 11, 2024, the Service and Assessment Plan was updated to issue bonds and pursuant to Ordinance No. 26969-06-2024, the City approved issuance of the City of Fort Worth, Texas Special Assessment Revenue Bonds, Series 2024 (Fort Worth Public Improvement District No. 16 – Walsh Ranch/Quail Valley – Improvement Areas #1-3 Project) (the "Improvement Areas #1-3 Bonds") in the aggregate principal amount of \$18,186,000 (the "Updated Service and Assessment Plan"). This Annual Service Plan Update also updates the IA #1 Assessment Roll, IA #2 Assessment Roll, and IA #3 Assessment Roll for tax year 2024.

Pursuant to the PID Act, the Updated Service and Assessment Plan (as updated and/or amended from time to time) must be reviewed and updated annually for the purpose of determining the annual budget for the Authorized Improvements. This document is the annual update of the Service and Assessment Plan for Fiscal Year 2025 (the "Annual Service Plan Update").

In light of these amendments to the PID Act, this Annual Service Plan Update includes a copy of the PID Assessment Notice as Appendix D and copy of this Annual Service Plan Update will be filed with the county clerk in each county in which all or a part of the PID is located not later than seven (7) days after the date the governing body of the City approves this Annual Service Plan Update.

Section 372.013 of the PID Act, as amended, stipulates that a person who proposes to sell or otherwise convey real property that is located in the PID, except in certain situation described in the PID Act, shall first give to the purchaser of the property a copy of the completed PID Assessment Notice. The PID Assessment Notice shall be given to a prospective purchaser before the execution of a binding contract of purchase and sale, either separately or as an addendum or paragraph of a purchase contract. In the event a contract of purchase and sale is entered into without the seller provided the required notice, the purchaser, subject to certain exceptions described in the PID act, is entitled to terminate the contract.

The PID Assessment Notice shall be executed by the seller and must be filed in the real property records of the County in which the property is located at the closing of the purchase and sale of the property.

Capitalized terms not otherwise defined herein shall have the meanings assigned to them in the Updated Service Assessment Plan.

Improvement Area #1 Portion of the Improvement Areas #1-3 Bonds - Annual Installments

The Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Assessment shall be payable in thirty Annual Installments of principal and interest beginning on October 1, 2018. As a result of the issuance of the Improvement Areas #1-3 Bonds, the remaining term was reduced to twenty (20) Annual Installments, of which twenty (20) Annual Installments currently remain outstanding.

Pursuant to the Updated Service and Assessment Plan, each Assessment shall bear interest at the rate on the Improvement Areas #1-3 Bonds. The effective interest rate on the Improvement Areas #1-3 Bonds is 5.32 percent for Fiscal Year 2025. Pursuant to Section 372.018 of the PID Act, the interest rate for that Assessment may not exceed a rate that is one-half of one percent higher than the actual interest rate paid on the debt. Accordingly, the effective interest rate on the Improvement Areas #1-3 Bonds (5.32 percent) plus an additional interest of one-half of one percent are used to calculate the interest on the Assessments. These payments, the "Annual Installments" of the Assessments, shall be billed by the City in 2024 and will be delinquent on February 1, 2025.

Pursuant to the Updated Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Assessments, the Annual Installment due for Fiscal Year 2025, and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the

PID as a whole that are payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under applicable documents including the Updated Service and Assessment Plan and applicable Trust Indenture, such capitalized interest and interest earnings on any account balances and by any other funds available to the PID.

Debt service will be paid on the Improvement Areas #1-3 Bonds from the collection of the Annual Installments. In addition, Administrative Expenses are to be collected with the Annual Installments to pay expenses related to the collection of the Annual Installments. The additional interest collected with the Annual Installments will be used to pay the prepayment reserve and delinquency reserve amounts as described in the Updated Service and Assessment plan and applicable Trust Indenture.

Annual Budget for the Repayment of Indebtedness

Improvement Area #1's portion of the Improvement Areas #1-3 Bonds shall be paid directly from the collection of the Annual Installments from Improvement Area #1 Assessed Property. The Annual Installments will include annual Administrative Expenses which will be used to pay expenses related to the collection of the Annual Installments and administration of the PID.

Annual Installments to be collected for Fiscal Year 2025

The budget for Improvement Area #1's portion of the Improvement Areas #1-3 Bonds will be paid from the collection of Annual Installments collected for Fiscal Year 2025 as shown by Table B-4 below.

According to the Updated Service and Assessment Plan, 582 units are planned to be built within Improvement Area #1 of the PID. As shown in Appendix A-2 of this report, seventeen (17) Parcels have prepaid their Improvement Area #1 Assessment in full and one (1) Parcel has partially prepaid their Improvement Area #1 Assessment as of June 30, 2024.

Accordingly, the Fiscal Year 2025 Annual Installment will be collected for the remaining 565 units (582 - 17 = 565) as summarized in Table B-5 below for each Lot Type.

The effective interest rate on the Improvement Areas #1-3 Bonds is 5.32 percent for Fiscal Year 2025. Pursuant to Section 372.018 of the PID Act, the interest rate for that Assessment may not exceed a rate that is one-half of one percent higher than the actual interest rate paid on the debt. Accordingly, the effective interest rate on the Improvement Areas #1-3 Bonds (5.32 percent) plus an additional interest of one-half of one percent are used to calculate the interest on the Assessments. These payments, the "Annual Installments" of the Assessments, shall be billed by the City in 2024 and will be delinquent on February 1, 2025.

Pursuant to the Updated Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Assessments, the Annual Installment due for Fiscal Year 2025, and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. Each Annual Installment

shall be reduced by any credits applied under applicable documents including the Updated Service and Assessment Plan and applicable Trust Indenture, such capitalized interest and interest earnings on any account balances and by any other funds available to the PID.

Debt service will be paid on the Improvement Areas #1-3 Bonds from the collection of the Annual Installments. In addition, Administrative Expenses are to be collected with the Annual Installments to pay expenses related to the collection of the Annual Installments. The additional interest collected with the Annual Installments will be used to pay the prepayment reserve and delinquency reserve amounts as described in the Updated Service and Assessment plan and applicable Trust Indenture.

Annual Budget for the Repayment of Indebtedness

Improvement Area #2's portion of the Improvement Areas #1-3 Bonds shall be paid directly from the collection of the Annual Installments from Improvement Area #2 Assessed Property. The Annual Installments will include annual Administrative Expenses which will be used to pay expenses related to the collection of the Annual Installments and administration of the PID.

 (b) Percentage of Total Special Assessment is calculated by dividing the Total Outstanding Special Assessment for each Lot Type by the aggregate Total Outstanding Special Assessment. The percentages shown are rounded but the calculation is more precise than the number shown.
 (c) Total Fiscal Year 2025 Annual Installments are calculated for each Lot Type by multiplying (a) the aggregate Annual Installment by (b) the percentage of Total Special Assessment allocated for each Lot Type.
 (d) The Fiscal Year 2025 Annual Installment per Unit is calculated for each Lot Type by dividing the total Fiscal Year 2025 Annual Installment for each Lot Type by the no. of units for each Lot Type.

As shown in the Service and Assessment Plan, the PID initially incurred contractual obligations in the total amount of \$5,850,000 (i.e. the initial IA #2 Reimbursement Amount) pursuant to the Improvement Area #2 Reimbursement Agreement, which, together with the interest payable thereon, was to be repaid from Assessments. The Developer funded the balance of the costs of the Authorized Improvements as shown in Table B-2.

A service plan must cover a period of five years. All of the Authorized Improvements are expected to be built within a period of five years. The projected Annual Installments for the Improvement Area #2 Funded Improvements over a period of five years is shown in Table B-9 on the following page.

1 - Assessment years ending 2021 through 2024 reflect actual Annual Installments and are net of applicable and available funds. Assessment years 2025 through 2030 reflect projected Annual Installments, are inclusive of applicable credits, and are subject to change.

The list of Parcels within Improvement Area #2 of the PID, the number of units to be developed on the current residential parcels, the outstanding Assessment, the principal and interest due (the "Annual Assessment"), the projected Administrative Expenses due, and the Annual Installment to be collected for Fiscal Year 2025 are shown in the IA #2 Assessment Roll summary attached hereto as Appendix B-1.

Improvement Area #3 Reimbursement Agreement - Annual Installments

The Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Assessment shall be payable in thirty Annual Installments of principal and interest beginning on October 1, 2023. As a result of the issuance of the Improvement Areas #1-3 Bonds, the remaining term was reduced to twenty (20) Annual Installments, of which twenty (20) Annual Installments currently remain outstanding.

Pursuant to the Updated Service and Assessment Plan, each Assessment shall bear interest at the rate on the Improvement Areas #1-3 Bonds. The effective interest rate on the Improvement Areas #1-3 Bonds is 5.32 percent for Fiscal Year 2025. Pursuant to Section 372.018 of the PID Act, the interest rate for that Assessment may not exceed a rate that is one-half of one percent higher than the actual interest rate paid on the debt. Accordingly, the effective interest rate on the Improvement Areas #1-3 Bonds (5.32 percent) plus an additional interest of one-half of one percent are used to calculate the interest on the Assessments. These payments, the "Annual Installments" of the Assessments, shall be billed by the City in 2024 and will be delinquent on February 1, 2025.

Pursuant to the Updated Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Assessments, the Annual Installment due for Fiscal Year 2025, and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the

PID as a whole that are payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under applicable documents including the Updated Service and Assessment Plan and applicable Trust Indenture, such capitalized interest and interest earnings on any account balances and by any other funds available to the PID.

Debt service will be paid on the Improvement Areas #1-3 Bonds from the collection of the Annual Installments. In addition, Administrative Expenses are to be collected with the Annual Installments to pay expenses related to the collection of the Annual Installments. The additional interest collected with the Annual Installments will be used to pay the prepayment reserve and delinquency reserve amounts as described in the Updated Service and Assessment plan and applicable Trust Indenture.

Annual Budget for the Repayment of Indebtedness

Improvement Area #3's portion of the Improvement Areas #1-3 Bonds shall be paid directly from the collection of the Annual Installments from Improvement Area #3 Assessed Property. The Annual Installments will include annual Administrative Expenses which will be used to pay expenses related to the collection of the Annual Installments and administration of the PID.

C. Update of the Assessment Plan

The Updated Service and Assessment Plan adopted by the City Council provided that the cost of Authorized Improvement shall be allocated to the Improvement Area #1 Assessed Property, the Improvement Area #2 Assessed Property, and the Improvement Area #3 Assessed Property based on the ratio of estimated buildout value anticipated to be built on each Parcel once such property is fully developed, and that such method of allocation will result in the imposition of equal shares of the costs of the Authorized Improvement to Parcels similarly benefited.

This method of assessing property has not been changed and Improvement Area #1 Assessed Property, Improvement Area #2 Assessed Property, and Improvement Area #3 Assessed Property will continue to be assessed as provided for in the Updated Service and Assessment Plan.

D. Update of the Assessment Roll

Pursuant to the Updated Service and Assessment Plan, the Improvement Area #1 Assessment Roll, the Improvement Area #2 Assessment Roll, and the Improvement Area #3 Assessment Roll shall be updated each year to reflect:

- (i) the identification of each Parcel; (ii) the Assessment for each Parcel, including any adjustments authorized by this Service and Assessment Plan or in the Act; (iii) the Annual Installment for the Parcel for the year (if the Assessment is payable in

installments); and (iv) payments of the Assessment, if any, as provided by the Service and Assessment Plan.

A summary of the Improvement Area #1 Assessment Roll, the Improvement Area #2 Assessment Roll, and the Improvement Area #3 Assessment Roll are shown in Appendix A-1 and Appendix B-1, respectively. Each Parcel within the PID is identified, along with the Assessment on each Parcel and the Annual Installment to be collected from each Parcel. Assessments are to be reallocated for the subdivision of any Parcels.

Parcel Updates

According to the Service and Assessment Plan, upon the subdivision of any Parcel, the Administrator shall reallocate the Assessment for the Parcel prior to the subdivision among the new subdivided Parcels according to the formula shown in the Service and Assessment Plan.

SUBJECT

(CD 3) Approve Updated Five-Year Service and Assessment Plan and Fiscal Year 2025 Budget in the Amount of \$1,644,539.19 for Fort Worth Public Improvement District No. 16 - Quail Valley and Adopt Appropriation Ordinance

RECOMMENDATION:

It is recommended that the City Council:

1. Approve the attached updated five-year service and assessment plan and annual budget for Fiscal Year 2025 for Fort Worth Public Improvement District No. 16 - Quail Valley; and
2. Adopt the attached ordinance increasing estimated receipts and appropriations in the Fort Worth Public Improvement District No.16 - Quail Valley Fund by a total of \$1,644,539.19, of which \$1,614,539.19 is from assessment revenue and \$30,000.00 from reducing fund balance, for the purpose of funding Public Improvement District 16 - Quail Valley.

DISCUSSION:

The purpose of this Mayor and Council Communication (M&C) is to consider a budget and updated service and assessment plan (SAP) for Fort Worth Public Improvement District (PID) No. 16 - Quail Valley (Walsh Ranch/Quail Valley).

In September 2016, the City Council approved the creation of the Walsh Ranch/Quail Valley PID, which encompasses approximately one-fourth of the entire Walsh Ranch property, as a vehicle to reimburse the developer for a portion of certain infrastructure costs (M&C G-18842). PIDs are governed by Chapter 372 of the Texas Local Government Code, which requires review and update of a PID's Service and Assessment Plan (SAP) on an annual basis and establishment of an annual budget.

Full development of the PID will encompass multiple phases that occur over several years as phases of the PID are developed. In May 2017, the City Council approved a master reimbursement agreement for the PID (City Secretary Contract No. (CSC) 49300). The master reimbursement agreement provides for total principal reimbursement for all phases of the PID of up to \$47,000,000.00, sets deadlines for commencing collection of assessment revenues in all phases of the PID, and establishes basic conditions associated with possible issuance of future debt (bonds) (M&C C-28197).

The SAP/update and ordinances levying assessments for Improvement Area Nos. 1, 2, and 3 were approved in 2017, 2020, and 2022, respectively, along with a reimbursement agreement for each Improvement Area identifying the maximum reimbursement amount for that phase (M&Cs C-28211, 20-0618, and 22-0794). The Improvement Area No. 1 reimbursement agreement (CSC 49302) provides that \$6,350,000.00, plus interest and administrative costs, will be funded out of special assessments on Improvement Area No. 1 of the PID. The Improvement Area No. 2 reimbursement agreement (CSC 54447) provides that \$5,850,000.00, plus interest and administrative costs will be funded out of assessment on Improvement Area No. 2. The Improvement Area No. 3 reimbursement agreement (CSC 59879) provides that \$10,750,000.00, plus interest and administrative costs will be funded out of assessment on Improvement Area No. 3. The remaining \$24,050,000.00 of potential reimbursement for the Walsh Ranch/Quail Valley PID could be allocated to future phases/improvement areas.

In July 2024, the City issued the Fort Worth, Texas Special Assessment Revenue Bonds, Series 2024 in the aggregate amount of \$18,186,000.00 to replace the Improvement Area #1 Reimbursement Agreement, the Improvement Area #2 Reimbursement Agreement, and the Improvement Area #3 Reimbursement Agreement.

For each improvement area, the developer is also constructing, without reimbursement from the PID, other improvements that meet PID-eligibility under state law. The ratio of total PID-eligible improvement costs to reimbursement amount for Improvement Area Nos. 1, 2, and 3 is greater than 3 to 1.

This M&C and the attached SAP are intended to serve as the SAP update and annual budget for fiscal year 2025.

The Fiscal Year 2025 budget, as summarized in the table below, will be funded by special assessments collected on property within Improvement Area No. 1 of the PID.
