Phase #1 – Lot Size – 50 Ft.**

**Project Overview**

Edgewood Creek Public Improvement District (the “District”) was created by the City of Celina City Council on May 12, 2020, pursuant to the Public Improvement District Assessment Act, Texas Local Government Code, Chapter 372, as amended (the “Act”), and Resolution No. 2020-33R upon petition of the owners of the taxable real property representing more than 50 percent of the appraised value of taxable real property liable for assessment within the District and the property owners who own taxable real property that constitutes more than 50 percent of the area of all taxable real property that is liable for assessment by the District.

The District was created principally to finance certain public improvements (the “Authorized Improvements”) that specially benefit assessed property in the District. All of the property in the District was located within the extraterritorial jurisdiction of the City of Celina (the “City”) at the time of District creation and was subsequently annexed into the corporate limits of the City. On January 12, 2021, the City Council adopted Ordinance No. 2021-02 that approved a Service and Assessment Plan for the District (the "Service and Assessment Plan") and levied special assessments (the "Assessments") on certain property within the District in accordance with the Assessment Roll attached as Appendix D to the Service and Assessment Plan. The Assessments may be prepaid in whole or in part at any time or may be paid in annual installments as provided by the Act and the Service and Assessment Plan.

The City issued the City of Celina Special Assessment Revenue Bonds, Series 2021 (Edgewood Creek Public Improvement District Project) in the aggregate amount of \$4,465,000 pursuant to the Act, Ordinance No. 2021-05 adopted by the City Council on January 12, 2021 and an Indenture of Trust dated as of January 1, 2021 between the City and U.S. Bank National Association, as trustee. The City also approved the Phase #1 Reimbursement Agreement in the aggregate amount of \$4,497,757 pursuant to an Ordinance adopted by the City Council on January 12, 2021 to finance the remaining costs of the Authorized Improvements in Phase #1.

All Assessments that are not paid in full will be billed in annual installments and collected each year by the City, or its designee, as provided in the Service and Assessment Plan. **Annual Installments are billed by the Collin County Tax Office and are due and payable as provided on the annual installment assessment bill.** Annual installments are expected to be billed and collected on the same schedule as property taxes. The Assessments, including the annual installments thereof, are (a) a first and prior lien against the property assessed, superior to all other liens and claims except liens or claims for state, county, school district or other political subdivision ad valorem property taxes, whether now or hereafter payable, and (b) a personal liability of and charge against the owners of the property to the extent of their ownership regardless of whether the owners are named.

More information concerning the District, the Assessments and the due dates of the Annual Installments of the Assessments may be obtained from MuniCap, Inc., the District Administrator for the City, located at 600 E. John Carpenter Freeway, Suite 150, Irving, Texas 75062 and available by telephone at (469) 490-2800 or (866) 648-8482 (toll free).

**FAILURE TO PAY THE ASSESSMENTS LEVIED AGAINST ASSESSED PROPERTY, INCLUDING THE ANNUAL INSTALLMENT THEREOF, COULD RESULT IN FORECLOSURE OF SUCH PROPERTY.**

**Edgewood Creek Public Improvement District (PID)**  
**& Reinvestment Zone Number Twelve (TIRZ)**

**Example of TIRZ Credit Application**

The property in the PID is also located in the City of Celina Tax Increment Reinvestment Zone No. 12. The City has committed to use approximately 47% of the annual incremental City ad valorem property taxes collected from a property in the current tax year as a credit (the “TIRZ Credit”) to reduce the PID annual installment of assessments due in the following year. The following hypothetical example illustrates the application of the TIRZ Credit:

A) Estimates for illustration purposes:

Estimated prorated base year (2020) taxable value = \$1,000  
Estimated current year (2023) taxable value = \$300,000  
Estimated current (2023) incremental value = \$299,000 (i.e. \$300,000 - \$1,000)  
Estimated current (2023) City tax rate per \$100 of taxable value = \$0.634759  
Estimated PID current (2023) annual installment of Assessment = \$2,008  
Estimated PID next (2024) annual installment of Assessments = \$1,983

B) Estimated City incremental tax:

\$1,898 [i.e.,  $(\$299,000 \div 100) \times \$0.634759 = \$1,898$ ]

C) Estimated TIRZ Credit:

\$892 (i.e.,  $\$1,898 \times 47\% = \$892$ )

D) PID current annual installment due (2023):

\$2,008 with no prior year TIRZ Credit

E) Estimated PID next annual installment due (2024):

\$1,091 (i.e.,  $\$1,983 - \$892 = \$1,091$ ) after application of the \$892 TIRZ Credit

**PLEASE NOTE THAT THE ABOVE CALCULATIONS ARE ONLY INTENDED TO ILLUSTRATE APPLICATION OF THE TIRZ CREDIT AND DO NOT REPRESENT ANY ACTUAL OR PROJECTED AMOUNTS OF TAXABLE VALUES, CITY TAX RATES AND PID ANNUAL INSTALLMENTS.**
