

**Jackson Ridge Public Improvement District  
Phase #3A – Lot Type 2 – 50 FT Lot**

**Project Overview**

The Jackson Ridge Public Improvement District (the “District”) was created by the City Council of the City of Aubrey (the “City Council”) on June 25, 2015, pursuant to the Public Improvement District Act, Texas Local Government Code, Chapter 372, as amended (the “Act”), and Resolution No. 709-15 upon petition of the owners of the taxable real property representing more than 50 percent of the appraised value of taxable real property liable for assessment within the District and the property owners who own taxable real property that constitutes more than 50 percent of the area of all taxable real property that is liable for assessment by the District.

The District was created principally to finance certain public improvement projects for the residential development located within the city limits of the City of Aubrey (the “City”). A Service and Assessment Plan for Phases #2-3 of the District was accepted and approved by the City Council on November 17, 2015, setting forth the plan for apportioning the costs of certain Authorized Improvements to be assessed on a pro-rata basis against properties within Phases #2-3 of the District and for payment of the special assessments with respect thereto. Mustang Special Utility District (“MSUD”) will be servicing the district for water and sewer services as agreed upon in June 2017 by MSUD and the Jackson Ridge PID. The City issued the City of Aubrey (Jackson Ridge Public Improvement District Phases #2-3 Major Improvement Project) Special Assessment Revenue Bonds, Series 2015 (the “Series 2015 Bonds”) in the aggregate principal amount of \$10,255,000 pursuant to the Act, and Ordinance No. 583-16 adopted by the City Council on November 17, 2015 and an Indenture of Trust dated as of December 1, 2015 between the City and Wilmington Trust N.A. as trustee.

An Amended and Restated Service and Assessment Plan for Phase #3A of the District was accepted and approved by the City Council on July 28, 2020, pursuant to Ordinance No. 683-20 (the “Assessment Ordinance”), setting forth the plan for apportioning the costs of certain public improvement projects (the “Authorized Improvements”) to be assessed against properties within Phase #3A of the District and for payment of special assessments with respect thereto.

The City approved the Reimbursement Agreement dated as of June 23, 2020 in the aggregate amount of \$3,644,000 to finance the costs of Authorized Improvements in Phase #3A of the District (the “Phase #3A Reimbursement Agreement”). On July 27, 2021 the City approved the issuance of City of Aubrey, Texas Special Assessment Revenue Bonds, Series 2021 (Jackson Ridge Public Improvement District Phase #3A Project) (the “Phase #3A Bonds”) in the aggregate principal amount of \$3,644,000 to replace the Phase #3A Reimbursement Agreement.

All Assessments that are not paid in full will be billed in annual installments and collected each year by the City, or its designee, as provided in the Service and Assessment Plan. **Annual Installments are billed by the Denton County Tax Office and are due and payable as provided on the annual installment assessment bill.** Annual installments are expected to be billed and collected on the same schedule as property taxes. The Assessments, including the annual installments thereof, are (a) a first and prior lien against the property assessed, superior to all other liens and claims except liens or claims for state, county, school district or other political subdivision ad valorem property taxes, whether now or hereafter payable, and (b) a personal liability of and charge against the owners of the property to the extent of their ownership regardless of whether the owners are named.

More information concerning the amount of the assessment and the due dates of that assessment may be obtained from MuniCap, Inc., the District Administrator for the City, located at 600 East John Carpenter Freeway, Suite 150, Irving, TX 75062 and available by telephone at (469) 490-2800 or toll-free at (866) 648-8482.

Failure to pay the assessments could result in a lien on and the foreclosure of the property.

### **Example of TIRZ Credit Application**

The property in the PID is also located in the City of Aubrey Tax Increment Reinvestment Zone No. 1. The City has committed to use approximately 45.2% of the annual incremental City ad valorem property taxes collected from a property in the current tax year as a credit (the “TIRZ Credit”) to reduce the PID annual installment of assessments due in the following year. The following hypothetical example illustrates the application of the TIRZ Credit:

A) Estimates for illustration purposes:

Estimated prorated base year (2015) taxable value = \$1,000  
Estimated current year (2023) taxable value = \$300,000  
Estimated current (2023) incremental value = \$299,000 (i.e. \$300,000 - \$1,000)  
Estimated current (2023) City tax rate per \$100 of taxable value = \$0.525  
Estimated PID current (2023) annual installment of Assessment = \$2,234  
Estimated PID next (2024) annual installment of Assessments = \$2,182

B) Estimated City incremental tax:

\$1,570 [i.e.,  $(\$299,000 \div 100) \times \$0.525 = \$1,570$ ]

C) Estimated TIRZ Credit:

\$710 (i.e.,  $\$1,570 \times 45.2\% = \$710$ )

D) Estimated PID current annual installment due (2023):

\$2,234 with no prior year TIRZ Credit

E) Estimated PID next annual installment due (2024):

\$1,472 (i.e.,  $\$2,182 - \$710 = \$1,472$ ) after application of the \$710 TIRZ Credit

**PLEASE NOTE THAT THE ABOVE CALCULATIONS ARE ONLY INTENDED TO ILLUSTRATE APPLICATION OF THE TIRZ CREDIT AND DO NOT REPRESENT ANY ACTUAL OR PROJECTED AMOUNTS OF TAXABLE VALUES, CITY TAX RATES AND PID ANNUAL INSTALLMENTS.**
