## ***I. INTRODUCTION***

---

---

The Edgewood Creek Public Improvement District (the “PID”) was created pursuant to the PID Act and a resolution of the City Council on May 12, 2020 to finance certain public improvement projects for the benefit of the property in the PID.

On January 12, 2021, the City approved issuance of the City of Celina, Texas Special Assessment Revenue Bonds, Series 2021 (Edgewood Creek Public Improvement District Phase #1 Project) (the “Phase #1 Bonds”) in the aggregate principal amount of \$4,465,000, and reimbursement obligations for the Phase #1 Reimbursement Agreement (the “Phase #1 Reimbursement Agreement”) in the aggregate principal amount of \$4,494,757 to finance, refinance, provide or otherwise assist in the acquisition, construction and maintenance of the public improvements provided for the benefit of the property in the PID. Both the Phase #1 Bonds and the Phase #1 Reimbursement Agreement are secured by the Phase #1 Assessments (the “Phase #1 Assessments”).

Additionally, on January 12, 2021, the City approved issuance of the City of Celina, Texas Special Assessment Revenue Bonds, Series 2021 (Edgewood Creek Public Improvement District Phases #2-3 Major Improvement Project) (the “Phases #2-3 Major Improvement Bonds”) in the aggregate principal amount of \$3,460,000, to finance, refinance, provide or otherwise assist in the acquisition, construction and maintenance of the public improvements provided for the benefit of the property in the PID. the Phases #2-3 Major Improvement Bonds are secured by the Phases #2-3 Assessments (the “Phases #2-3 Assessments”).

A service and assessment plan (the “Service and Assessment Plan”) was prepared at the direction of the City identifying the public improvements (the “Authorized Improvements”) to be provided by the PID, the costs of the Authorized Improvements, the indebtedness to be incurred for the Authorized Improvements, and the manner of assessing the property in the PID for the costs of the Authorized Improvements. Pursuant to the PID Act, the Service and Assessment Plan must be reviewed and updated annually. This document is the annual update of the Service and Assessment Plan for 2023-24 (the “Annual Service Plan Update”).

The City also adopted Assessment Rolls identifying the assessments on each Parcel within the PID, based on the method of assessment identified in the Service and Assessment Plan. This Annual Service Plan Update also updates the Assessment Roll for 2023-24.

The Texas legislature passed House Bill 1543 as an amendment to the PID Act, requiring, among other things, (i) all Service and Assessment Plans and Annual Service Plan Updates be approved through City ordinance or order to be filed with the county clerk of each county in which all or part of the PID is located within seven days and (ii) include a copy of the notice form required by Section 5.014 of the Texas Property Code (the “PID Assessment Notice”) as disclosure of the obligation to pay PID Assessments. In light of these amendments to the PID Act, this Annual Service Plan Update includes a copy of the PID Assessment Notice as Appendix D and copy of this Annual Service Plan Update will be filed with the county clerk in each county in which all or

a part of the PID us located not later than seven (7) days after the date the governing body of the City approves this Annual Service Plan Update.

Section 372.013 of the PID Act, as amended, stipulates that a person who proposes to sell or otherwise convey real property that is located in the PID, except in certain situation described in the PID Act, shall first give to the purchaser of the property a copy of the completed PID Assessment Notice. The PID Assessment Notice shall be given to a prospective purchaser before the execution of a binding contract of purchase and sale, either separately or as an addendum or paragraph of a purchase contract. In the event a contract of purchase and sale is entered into without the seller provided the required notice, the purchaser, subject to certain exceptions described in the PID act, is entitled to terminate the contract.

The PID Assessment Notice shall be executed by the seller and must be filed in the real property records of the County in which the property is located at the closing of the purchase and sale of the property.

Capitalized terms shall have the meanings set forth in the Service and Assessment Plan unless otherwise defined herein.

**C. ANNUAL BUDGET – PHASE #1**

*Phase #1 - Annual Installments – 2023-24*

The Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Assessment shall be payable in thirty Annual Installments of principal and interest beginning with the tax year following the issuance of the Phase #1 Bonds and/or the execution of the Phase #1 Reimbursement Agreement, of which twenty-seven (27) Annual Installments remain outstanding.

Pursuant to the Service and Assessment Plan, each Assessment shall bear interest at the rate on the Phase #1 Bonds commencing with the issuance of the Phase #1 Bonds. The effective interest rate on the Phase #1 Bonds is 4.23 percent and the interest rate applicable to the Phase #1 Reimbursement Agreement is 4.57 percent per annum for 2023-24. Pursuant to Section 372.018 of the PID Act, the interest rate for that assessment may not exceed a rate that is one-half of one percent higher than the actual interest rate paid on the debt. Accordingly, the effective interest rate on the Phase #1 Bonds (4.23 percent) plus an additional interest of one-half of one percent and the effective interest rate on the Phase #1 Reimbursement Agreement (4.57 percent) are used to calculate the interest on the Assessments. These payments, the “Annual Installments” of the Assessments, shall be billed by the City in 2023 and will be delinquent on February 1, 2024.

Pursuant to the Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Assessments, the Annual Installment due for 2023-24 and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under applicable documents including the Service and Assessment Plan and Trust Indenture, such TIRZ No. 12

incremental taxes available to the PID (the TIRZ Annual Credit Amount), capitalized interest and interest earnings on any account balances and by any other funds available to the PID.

Annual Budget for the Repayment of Indebtedness

Debt service will be paid on the Phase #1 Bonds and Phase #1 Reimbursement Agreement from the collection of the Annual Installments. In addition, Administrative Expenses are to be collected with the Annual Installments to pay expenses related to the collection of the Annual Installments. The additional interest collected with the Annual Installments will be used to pay the prepayment and delinquency reserve amounts as described in the Service and Assessment Plan and applicable Trust Indenture.

Phase #1 Annual Installments to be Collected for 2023-24

The budget for Phase #1 of the PID will be paid from the collection of Annual Installments collected for 2023-24 as shown by Table II-C-1 below.

### Available Administrative Expense Account

As of May 31, 2023, the available balance for administrative expenses was \$35,845. \$35,845 is anticipated to be used for the payment of current year administrative expenses through January 31, 2024. As a result, there are no funds available in the Administrative Expense Fund to reduce the Phase #1 2023-24 Annual Installment.

## **D. ANNUAL INSTALLMENTS PER UNIT – PHASE #1**

According to the Service and Assessment Plan, the Annual Installments shall be collected in an amount sufficient to pay (i) principal and interest on the Phase #1 Bonds and Phase #1 Reimbursement Agreement, (ii) to fund the prepayment reserve and delinquency reserve, and (iii) to cover Administrative Expenses of Phase #1. The Annual Installment for each Parcel shall be calculated by taking into consideration any available capitalized interest available.

According to the Service and Assessment Plan, 301 units are estimated to be built within Phase #1 of the PID. Accordingly, the principal and interest portion of Annual Installment to be collected from each unit within Phase #1 will be \$1,884.89 (i.e.  $(\$553,184 + \$21,850 - \$7,682) \div 301 = \$1,884.89$ ) and the Administrative Expenses to be collected from each unit will be \$123.40 (i.e.  $\$37,142 \div 301 = \$123.40$ ). As a result, the total Annual Installment to be collected from each unit within Phase #1 will be \$2,008.29 (i.e.  $\$1,884.89 + \$123.40 = \$2,008.29$ ). The Annual Installment to be collected from each Parcel within Phase #1 is calculated by multiplying the Annual Installment for each unit of \$2,008.29 by the total estimated number of units for each Parcel in Phase #1, less the applicable TIRZ Credit, if any.

The Annual Installment due to be collected from each Land Use Class in Phase #1 for 2023-24 is shown in Table II-D-1 below.

**Table II-D-1  
Phase #1 Annual Installment Per Unit**

Land Use Class	Annual Installment Per Unit

The list of Parcels within Phase #1 of the PID, the estimated number of units to be developed on the current residential Parcels, the Outstanding Assessment, the annual principal and interest, the Additional Interest Reserve, the Administrative Expenses, the TIRZ Credit and the Annual Installment to be collected for 2023-24 are shown in the Assessment Roll Summary attached hereto as Appendix B-1.

**E. ANNUAL BUDGET – PHASES #2-3 MAJOR IMPROVEMENT AREA**

*Phases #2-3 Major Improvement - Annual Installments – 2023-24*

The Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Assessment shall be payable in thirty annual installments of principal and interest beginning with the tax year following the issuance of the Phases #2-3 Major Improvement Bonds, of which twenty-seven (27) Annual Installments remain outstanding.

Pursuant to the Service and Assessment Plan, each Assessment shall bear interest at the rate on the Bonds commencing with the issuance of the Phases #2-3 Major Improvement Bonds. The effective interest rate on the Phases #2-3 Major Improvement Bonds is 5.28 percent. Pursuant to Section 372.018 of the PID Act, the interest rate for that Assessment may not exceed a rate that is one-half of one percent higher than the actual interest rate paid on the debt. Accordingly, the effective interest rate on the Phases #2-3 Major Improvement Bonds (5.28 percent) plus an additional interest of one-half of one percent are used to calculate the interest on the Assessments. These payments, the “Annual Installments” of the Assessments, shall be billed by the City in 2023 and will be delinquent on February 1, 2024.

Pursuant to the Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Assessments, the Annual Installment due for 2023-24 and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under applicable documents including the Service and Assessment Plan and applicable Trust Indenture, such as capitalized interest and interest earnings on any account balances and by any other funds available to the PID.

Annual Budget for the Repayment of Indebtedness

Debt service will be paid on the Phases #2-3 Major Improvement Bonds from the collection of the Annual Installments. In addition, Administrative Expenses are to be collected with the Annual Installments to pay expenses related to the collection of the Annual Installments. The additional interest collected with the Annual Installments will be used to pay the prepayment and delinquency reserve amounts as described in the Service and Assessment Plan and applicable Trust Indenture.

Phases #2-3 Major Improvement Annual Installments to be Collected for 2023-24

The budget for Phases #2-3 of the PID will be paid from the collection of Annual Installments collected for 2023-24 as shown by Table II-E-1 below.

Phases #2-3 Bond Annual Installments to be collected include a principal amount of \$65,000 due on September 1, 2024. As a result, total Phases #2-3 Major Improvement Annual Installments to be collected for principal and interest in 2023-24 is estimated to be equal to \$244,263.

Administrative Expenses

Administrative expenses include the City, Trustee, Administrator, auditor, dissemination agent and contingency fees. As shown on Table II-E-2 below, the total Phases #2-3 Major Improvement administrative expenses to be collected for 2023-24 are estimated to be \$37,142.

**Table II-E-2**  
**Phases #2-3 Major Improvement Administrative Budget Breakdown**

<b>Description</b>	<b>2023-24 Estimated Budget</b>
City	\$6,000
Administrator	\$25,000
Trustee	\$2,750
Auditor	\$2,000
Contingency	\$1,392
<b>Total</b>	<b>\$37,142</b>

Excess Interest for Prepayment and Delinquency Reserve

Annual Installments to be collected for excess interest for prepayment and delinquency reserves in the amount of \$16,975, which equals 0.5 percent interest on the outstanding collective Phases #2-3 Major Improvement Bond Assessments balance of \$3,395,000.

Available TIRZ Credit

According to the City, there have been TIRZ incremental revenues collected in 2022 in the total amount of \$2,214 that are available to be used as a TIRZ Credit in 2023-24 for the respective Parcels within Phases #2-3. This TIRZ Credit amount is allocated based upon the amount of TIRZ increment generated by each Parcel within Phases #2-3 and each Parcel that has an outstanding Phases #2-3 Assessment balance as of September 1, 2023. The TIRZ Annual Credit Amount shall be calculated separately for each Parcel and such TIRZ Annual Credit Amount shall be applied on a Parcel-by-Parcel basis. The 2023-24 TIRZ Annual Credit was applied to each Parcel proportionally based on anticipated number of units for each parcel as provided by the Developer.

As a result, the TIRZ credit obligation for Phases #2-3 is \$2,214 as shown in Appendix C-2 of this report.

Available Reserve Fund Income

As of May 31, 2023, the balance in the Phases #2-3 Major Improvement Reserve Fund was \$254,063, which includes the Bond Reserve Requirement of \$247,350 and an excess balance of \$6,713. Pursuant to Section 6.7(e) of the Phases #2-3 Major Improvement Bond Trust Indenture the excess balance of \$6,713 should be transferred to the Phases #2-3 Major Improvement Principal & Interest Account and used to pay interest on the Phases #2-3 Major Improvement Bonds on the next interest payment date. As a result, \$6,713 is available to pay a portion of the Phases #2-3 Major Improvement Bonds debt service.

Available Capitalized Interest Account

As of May 31, 2023, and in accordance with Section 6.4(c) of the Trust Indenture, all Capitalized Interest funds have been fully expended. As a result, there is no credit to reduce the Phases #2-3 Major Improvement 2023-24 Annual Installment.

Available Administrative Expense Account

As of May 31, 2023, the available balance for administrative expenses was \$62,302. \$57,302 is anticipated to be used for the payment of current year administrative expenses through January 31, 2024. As a result, \$5,000 is available as a credit to reduce the Phases #2-3 Major Improvement 2023-34 Annual Installment.

**F. ANNUAL INSTALLMENTS PER UNIT – PHASES #2-3 MAJOR IMPROVEMENT**

According to the Service and Assessment Plan, the Annual Installments shall be collected in an amount sufficient to pay (i) principal and interest on the Phases #2-3 Major Improvement Bonds, (ii) to fund the prepayment reserve and delinquency reserve, and (iii) to cover Administrative Expenses of the Phases #2-3 Major Improvement Area. The Annual Installment for each Parcel shall be calculated by taking into consideration any available capitalized interest.

According to the Service and Assessment Plan, 546 units are estimated to be built within the Phases #2-3 of the PID. Accordingly, the principal and interest portion of Annual Installment to be collected from each unit within Phases #2-3 will be \$466.16 (i.e.  $(\$244,263 + \$16,975 - \$6,713) \div 546 = \$466.16$ ) and the Administrative Expenses to be collected from each acre will be \$58.87 (i.e.  $(\$37,142 - \$5,000) \div 546 = \$58.87$ ). As a result, the total Annual Installment to be collected from each unit within Phases #2-3 will be \$514.75 (i.e.  $\$466.16 + \$58.87 = \$525.03$ ). The Annual Installment to be collected from each Parcel within Phases #2-3 is calculated by multiplying the Annual Installment for each unit of \$525.03 by the total estimated number of units for each Parcel in Phases #2-3, less the applicable TIRZ Credit, if any.

The Annual Installment due to be collected from each Land Use Class in Phases #2-3 for 2023-24 is shown in Table II-F-1 below.

**Table II-F-1**  
**Phases #2-3 Major Improvement Annual Installment Per Unit**

**G. BOND REDEMPTION RELATED UPDATES**

**Phase #1 Bonds**

The Phase #1 Bonds were issued in 2021. Pursuant to Section 4.3 of the Phase #1 Trust Indenture, the City reserves the right and option to redeem the Phase #1 Bonds before their scheduled maturity dates, in whole or in part, on any interest payment date on or after **September 1, 2031**, such redemption date or dates to be fixed by the City, at the redemption prices and dates shown in the Phase #1 Trust Indenture.

The Administrator has conducted a preliminary evaluation of the current refunding market conditions, recent PID bond refunding transactions, and other relevant factors. Based on this preliminary evaluation, the Administrator believes a refunding of the Phase #1 Bonds does not appear viable at this time. The Administrator will continue to monitor the refunding market conditions, applicable PID bond refunding transactions, and other relevant factors to determine if refunding becomes viable in the future and will inform the City accordingly.

### ***III. UPDATE OF THE ASSESSMENT PLAN***

---

---

The Service and Assessment Plan adopted by the City Council provided that the Authorized Improvement costs shall be allocated to the Assessed Property equally on the basis of the number of residential dwelling units anticipated to be built on each Parcel once such property is fully developed, and that such method of allocation will result in the imposition of equal shares of the Authorized Improvement costs to Parcels similarly benefited.

#### ***Assessment Methodology***

This method of assessing property has not been changed and assessed property will continue to be assessed as provided for in the Service and Assessment Plan.

*(the remainder of this page is intentionally left blank)*

## ***IV. UPDATE OF THE ASSESSMENT ROLL***

---

---

Pursuant to the original Service and Assessment Plan, the Assessment Rolls shall be updated each year to reflect:

(i) the identification of each Parcel (ii) the Assessment for each Parcel of Assessed Property, including any adjustments authorized by this Service and Assessment Plan or in the PID Act; (iii) the Annual Installment for the Assessed Property for the year (if the Assessment is payable in installments); and (iv) payments of the Assessment, if any, as provided by Section VI.H of this Service and Assessment Plan.

The updated Assessment Rolls are shown in Appendix B-1 and C-1 of this report. Each Parcel in the PID is identified, along with the Assessment on each Parcel and the Annual Installment to be collected from each Parcel. Assessments are to be reallocated for the subdivision of any Parcels.

### **A. PARCEL UPDATES**

According to the Service and Assessment Plan, upon the subdivision of any Parcel, the Administrator shall reallocate the Assessment for the Parcel prior to the subdivision among the new subdivided Parcels according to the following formula:

$$A = B \times (C \div D)$$

Where the terms have the following meanings:

A = the Assessment for each new subdivided Parcel.

B = the Assessment for the Parcel prior to subdivision.

C = the estimated number of units to be built on each newly subdivided Parcel

D = the sum of the estimated number of units to be built on all of the new subdivided Parcels

The calculation of the estimated number of units to be built on a Parcel shall be performed by the Administrator and confirmed by the City Council based on the information available regarding the use of the Parcel. The estimate as confirmed shall be conclusive. The number of units to be built on a Parcel may be estimated by net land area and reasonable density ratios.

The developer has confirmed there have been no parcel subdivisions in the PID applicable for the Annual Installments to be collected in 2023-24.

**B. PREPAYMENT OF ASSESSMENTS**

There have been no Assessment prepayments as of Jun 29, 2023.

The complete Assessment Rolls are available for review at the City Hall, located at 142 N. Ohio, Celina, Texas 75009.
