## ***I. INTRODUCTION***

---

The 82<sup>nd</sup> Texas Legislature passed House Bill 3859 approving and authorizing the creation of Club Municipal Management District No. 1 (the “District”) to finance the costs of certain public improvements for the benefit of property in the District, all of which is located within the corporate boundaries of the City of Heath (the “City”).

A service and assessment plan (the “Service and Assessment Plan”) was approved by the Board of Directors of the District (the “Board of Directors”) pursuant to a resolution enacted by the Board of Director on September 1, 2015, as updated or amended from time to time, identifying the Authorized Improvements to be constructed for the benefit of the Assessed Property in the District, the costs of the Authorized Improvements, the indebtedness to be incurred for the Authorized Improvements, and the manner of assessing the property in the District for the costs of the Authorized Improvements. The District issued bonds in the total amount of \$9,255,000 in the form of its Special Assessment Revenue Bonds, Series 2016 (Improvement Area #1 Project) (the “Improvement Area #1 Bonds”), which are to be repaid from Assessments levied against the Improvement Area #1 Assessed Property, replacing a portion of the Improvement Area #1 Road Improvements, Improvement Area #1 Utility Improvements and Improvement Area #1’s share of Major Utility Improvements initially financed through the Improvement Area #1 Reimbursement Agreement. The balance of \$3,245,000 in Improvement Area #1 Road Improvements and Improvement Area #1’s share of Major Road Improvements continues to be funded under the Improvement Area #1 Reimbursement Agreement.

On May 7, 2018, the District Board of Directors approved an updated Service and Assessment Plan for Improvement Area #2 to finance certain Authorized Improvements for Improvement Area #2 in the amount of \$10,750,000 under the terms of the Omnibus Reimbursement Agreement.

On November 30, 2021, the District Board of Directors approved a bond order to issue bonds in the total amount of \$9,230,000 in the form of its Special Assessment Revenue Bonds, Series 2021 (Improvement Area #2 Project) (the “Improvement Area #2 Bonds”) to replace a portion of Improvement Area #2’s share of the \$10,750,000 Omnibus Reimbursement Agreement. As of the time of Improvement Area #2 Bond issuance, the outstanding balance of Improvement Area #2 Assessments in the amount of \$1,451,686 will be funded through a reimbursement agreement for property within Improvement Area #2 of the District (the “Improvement Area #2 Reimbursement Agreement”).

Additionally, the District Board of Directors approved an updated Service and Assessment Plan for the Improvement Area #2 Bond issuance on November 30, 2021.

On May 16, 2023, the Service and Assessment Plan was updated by the District Board of Directors with the issuance of the Improvement Area #3 Reimbursement Agreement in the aggregate principal amount of \$17,270,000 (the “Updated Service and Assessment Plan”). The Improvement Area #3 Reimbursement Agreement was entered into to finance the Improvement Area #3 share of the Major Road Improvements, the Improvement Area #3 share of the Major Utility

Improvements, the Improvement Area #3 Road Improvements, and the Improvement Area #3 Utility Improvements. The Improvement Area #3 Reimbursement Agreement obligation is anticipated to be paid, in whole or in part, through the Assessments levied on Improvement Area #3 Assessed Property and/or the issuance of Phased Bonds secured by Assessments levied on Improvement Area #3 Assessed Property.

The Updated Service and Assessment Plan is to be reviewed and updated annually. The District also adopted an Assessment Roll identifying the Assessments on each Parcel within the District, based on the method of assessment identified in the Service and Assessment Plan. This Annual Service Plan Update also updates the Assessment Roll for 2023-24.

Effective September 1, 2021, the Texas legislature passed House Bill 1543 as an amendment to the PID Act, requiring, among other things, (i) all Service and Assessment Plans and Annual Service Plan Updates be approved through City ordinance or order to be filed with the county clerk of each county in which all or part of the District is located within seven days and (ii) include a copy of the notice form required by Section 5.014 of the Texas Property Code (the “District Assessment Notice”) as disclosure of the obligation to pay District Assessments. As a result, this Annual Service Plan Update includes a copy of the District Assessment Notice as Appendix F and copy of this Annual Service Plan Update will be filed with the county clerk in each county in which all or a part of the District is located not later than seven (7) days after the date the governing body of the District approves this Annual Service Plan Update.

Section 372 of the Texas Local Government Code, as amended, stipulates that a person who proposes to sell or otherwise convey real property that is located in the District, except in certain situation described in Section 372, shall first give to the purchaser of the property a copy of the completed District Assessment Notice. The District Assessment Notice shall be given to a prospective purchase before the execution of a binding contract of purchase and sale, either separately or as an addendum or paragraph of a purchase contract. In the event a contract of purchase and sale is entered into without the seller provided the required notice, the purchaser, subject to certain exceptions described in Section 372, is entitled to terminate the contract.

The District Assessment Notice shall be executed by the seller and must be filed in the real property records of the County in which the property is located at the closing of the purchase and sale of the property.

Capitalized terms not defined herein shall have the meanings assigned to such terms in the Updated Service and Assessment Plan.

Pursuant to the Updated Service and Assessment Plan, each Assessment for an Improvement Area shall bear interest at a rate of interest on the Improvement Area #1 Bonds and the Improvement Area #1 Reimbursement Agreement approved and issued by the District to fund all or a portion of the Authorized Improvements for such Improvement Area plus up to 0.5 percent. The effective interest rate on the Improvement Area #1A Bonds is 6.36 percent for 2023-24 and the interest rate applicable to the Improvement Area #1 Reimbursement Agreement is 6.36 percent on the reimbursement amount. Pursuant to Section 372.018 of the PID Act, the interest rate for that Assessment may not exceed a rate that is one-half of one percent higher than the actual interest rate paid on the debt. Pursuant to the Updated Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Assessments, the Annual Installment due for 2023-24 and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the District as a whole that are payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under the Service and Assessment Plan and other applicable documents, such as capitalized interest and interest earnings on any account balances and by any other funds available to the District.
