## I. INTRODUCTION

The Bayside Public Improvement District (the "PID") was created pursuant to Chapter 372 of the Texas Local Government Code (as amended, the "PID Act") and a resolution of the City Council on September 15, 2015 to finance certain public improvement projects for the benefit of Assessed Property within the PID. The City of Rowlett, Texas (the "City") issued Special Assessment Revenue Bonds, Series 2016 (Bayside Public Improvement District North Improvement Area Project) (the "North Improvement Area Bonds") in the aggregate principal amount of \$13,515,000 to finance the costs of constructing the North Improvement Area Improvements for the benefit of the Assessed Property within the North Improvement Area.

The PID consists of approximately 317 acres of property within the City limits. The North Improvement Area consists of approximately 142 acres within the PID. A service and assessment plan (the "Service and Assessment Plan") was prepared at the direction of the City identifying the public improvements (the "North Improvements") to be constructed, the costs of the North Improvements, the indebtedness to be incurred for the North Improvements, and the manner of assessing the benefitted property within the North Improvement Area of the PID for the costs of the North Improvements.

On January 7, 2020, the Service and Assessment Plan was initially amended and restated at the direction of the City to address the manner of assessing the benefitted property within the South Improvement Area of the PID due to the introduction of an updated development plan and new land use types; additionally on October 12, 2021, the Service and Assessment Plan was updated to address the manner of assessing the benefitted property within the North Improvement Area of the PID due to the introduction of an updated development plan and new land use types (the "Amended and Restated Service and Assessment Plan"). Pursuant to the PID Act, the Amended and Restated Service and Assessment Plan must be reviewed and updated annually. This document is the annual update of the Amended and Restated Service and Assessment Plan for 2023-24 (the "Annual Service Plan Update").

The City also adopted an assessment roll (the "Assessment Roll") identifying the Assessments on each Parcel of Assessed Property within the North Improvement Area of the PID, based on the method of assessment identified in the Amended and Restated Service and Assessment Plan. This Annual Service Plan Update also updates the Assessment Roll for 2023-24.

Effective September 1, 2021, the Texas legislature passed House Bill 1543 as an amendment to the PID Act, requiring, among other things, (i) all Service and Assessment Plans and Annual Service Plan Updates be approved through City ordinance or order to be filed with the county clerk of each county in which all or part of the PID is located within seven days and (ii) include a copy of the notice form required by Section 5.014 of the Texas Property Code (the "PID Assessment Notice") as disclosure of the obligation to pay PID Assessments. In light of these amendments to the PID Act, this Annual Service Plan Update includes a copy of the PID Assessment Notice as Appendix D and copy of this Annual Service Plan Update will be filed with the county clerk in
each county in which all or a part of the PID us located not later than seven (7) days after the date the governing body of the City approves this Annual Service Plan Update.

Section 372.013 of the PID Act, as amended, stipulates that a person who proposes to sell or otherwise convey real property that is located in the PID, except in certain situation described in the PID Act, shall first give to the purchaser of the property a copy of the completed PID Assessment Notice. The PID Assessment Notice shall be given to a prospective purchase before the execution of a binding contract of purchase and sale, either separately or as an addendum or paragraph of a purchase contract. In the event a contract of purchase and sale is entered into without the seller provided the required notice, the purchaser, subject to certain exceptions described in the PID act, is entitled to terminate the contract.

The PID Assessment Notice shall be executed by the seller and must be filed in the real property records of the County in which the property is located at the closing of the purchase and sale of the property.

Capitalized terms shall have the meanings set forth in the Amended and Restated Service and Assessment Plan unless otherwise defined herein.

## II. UPDATE OF THE SERVICE PLAN

## A. Updated Sources and Uses For Public Improvements

According to the original Service and Assessment Plan adopted on March 1, 2016, the initial total estimated costs of the North Improvements, including North Improvement Area costs of issuance, were equal to $\$ 15,316,172$. According to the Developer's North Improvements Draw Request \#13 approved as of March 11, 2019, the actual costs of the North Improvements are \$15,315,255 representing a $\$ 917$ decrease from the original cost estimates.

The City has undertaken the constructing of certain additional offsite wastewater improvements (the "Additional Offsite Wastewater Improvements"), as defined herein, that confer a special benefit to the North Improvement Area, the South Improvement Area and property outside of the PID. Such improvements were funded by the City and are eligible to be reimbursed to the City from excess funds available to the PID to the extent such excess funds are not required to fund existing PID obligations.

The Additional Offsite Wastewater Improvements consists of construction, installation and/or expansion of downstream force main for the Bayside Lift Station, parallel gravity sewer on Miller Road near President George Bush Turnpike, new pump and parallel downstream force main for the Rowlett Road Lift Station, and gravity sewer replacement west of Rowlett Creek. The Additional Offsite Wastewater Improvements will be constructed according to City standards.

Table II-A-1 on the following page summarizes the estimated benefits of the Additional Offsite Wastewater Improvements and the amounts allocated to the North Improvement Area (the "North Improvement Area Portion"), the amounts allocated to the South Improvement Area (the "South Improvement Area Portion") and the amounts allocated to the property outside of the PID (the "City Portion") as provided by the City as of October 5, 2023. The amounts shown in Table II-A1 are estimates and may be updated in Annual Service Plan Updates.

## D. Annual Budget

## Annual Installments

The Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Assessment shall be payable in thirty-one annual installments of principal and interest beginning with the tax year following the issuance of the North Improvement Area Bonds, of which twentythree (23) Annual Installments remain outstanding.

Pursuant to the Amended and Restated Service and Assessment Plan, each Assessment shall bear interest at the rate on the North Improvement Area Bonds commencing with the issuance of the North Improvement Area Bonds. The effective interest rate on the North Improvement Area Bonds is 5.83 percent for 2023-24. Pursuant to Section 372.018 of the PID Act, the interest rate for that Assessment may not exceed a rate that is one-half of one percent higher than the actual interest rate paid on the debt. As described in the Service and Assessment Plan, the additional interest of one-half of one percent (the "Excess Interest Rate") is included in the Annual Installment calculation for 2023-24. In addition, the estimated annual Administrative Expenses for 2023-24 are included in the Annual Installments for 2023-24. These Annual Installments of the Assessments shall be billed by the City, or any other party designated by the City, in 2023 and will be delinquent on February 1, 2024.

Pursuant to the Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Assessments and the Annual Installment due for 2023-24 to be collected from each Parcel. The Annual Installment amount shall be allocated to each Parcel based on the percentage of Assessment allocated to each Parcel within the North Improvement, as calculated using the amount of Assessment on a Parcel to the total amount of Assessments within the North Improvement Area of the PID as a whole that are payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under an applicable ordinances or Indenture of Trust, such as capitalized interest and interest earnings on any account balances and by any other funds available to the PID.

## Annual Budget for the Repayment of Indebtedness

Debt service on the North Improvement Area Bonds will be paid from the collection of the Annual Installments. Administrative Expenses are also to be collected with the Annual Installments to pay expenses related to the collection of the Annual Installments and other PID administration expenses. In addition, $40 \%$ of the additional interest amount collected as part of the Annual Installment will be used to fund the Prepayment Reserve and $60 \%$ of such additional interest amount collected will be used to fund the Delinquency Reserve until such time as each reserve contains the required amounts, as described in the Service and Assessment Plan and the Indenture of Trust relating to the North Improvement Area Bonds.

## Annual Installments to be collected for 2023-24

The budget for the North Improvement Area of the PID will be paid from the collection of Annual Installments collected from the North Improvement Area Assessed Property for 2023-24 as shown in Table II-D-1 below.

Table II-D-1
Budget for the Annual Installments
to be Collected for 2023-24

|  | North Improvement <br>  |
| :--- | ---: |
| Area Bonds ${ }^{1}$ |  |

## Debt Service Payments

Annual Installments to be collected for principal and interest include interest due on March 15, 2024 in the amount of $\$ 218,122$ and on September 15,2024 in the amount of $\$ 218,122$, which equal interest on the outstanding Assessments balance of $\$ 7,484,880$ for six months each and an
effective interest rate of 5.83 percent. Annual Installments to be collected include a principal amount of $\$ 125,000$ due on September 15,2024 . As a result, total principal and interest due in 2023-24 is estimated to be equal to $\$ 561,243$.

## Administrative Expenses

Administrative expenses include the City, Administrator, Trustee, dissemination agent expenses, third-party tax collector expenses, and contingency fees. As shown in Table II-D-2 below, the total administrative expenses to be collected for 2023-24 are estimated to be $\$ 48,000$.

## Table II-D-2 <br> Administrative Budget Breakdown

| Description | 2023-24 Estimated Budget <br> $(\mathbf{2} / \mathbf{1} / 23-1 / 31 / 24)$ |
| :--- | ---: |
| City | $\$ 5,000$ |
| Administrator | $\$ 22,000$ |
| Trustee | $\$ 2,500$ |
| Dissemination Agent | $\$ 5,000$ |
| UTS (Billing) | $\$ 10,000$ |
| Contingency | $\$ 3,500$ |
| Total | $\mathbf{\$ 4 8 , 0 0 0}$ |

## Excess Interest for Prepayment and Delinquency Reserve

Annual Installments to be collected for excess interest for prepayment and delinquency reserves in the amount of $\$ 37,424$, which equals 0.5 percent interest on the outstanding Assessment balance on the North Improvement Area of $\$ 7,484,880$.

## Available Reserve Fund Income

According to the Trustee's account statements, the balance in the Reserve Fund was $\$ 634,475$ as of August 31, 2023. As a result, there is no excess reserve fund investment income anticipated to be available to pay a portion of the North Improvement Area Bonds debt service for 2023-24.

## Available Capitalized Interest Account

As of August 31, 2023, the Trustee reported that the Capitalized Interest Fund been fully expended. As a result, there is no credit to reduce the 2023-24 Annual Installment.

## Available Other Funds

According to the Trustee account statements, $\$ 18,508.82$ in prior year Annual Installments have been collected for Prepayment Reserve. As of August 31, 2023, the total balance in the Prepayment Reserve Account was $\$ 89,660.91$ and the Prepayment Reserve requirement, which is calculated
as $1.5 \%$ of the current outstanding North Improvement Area Bonds of $\$ 7,485,000$, is $\$ 112,275.00$ (i.e., $\$ 7,485,000 \times 1.5 \%=\$ 112,275.00$ ). Accordingly, the total amount collected for Prepayment Reserve and required to be transferred to the Prepayment Reserve Account to fully fund such reserve is $\$ 22,614.09$ (i.e., $\$ 112,275.00-\$ 89,660.91=\$ 22,614.09$ ), resulting in an insufficient excess balance available to pay a portion of the North Improvement Area Bonds debt service for 2023-24.

## Available Administrative Expense Account

As of August 31, 2023, the available balance in the Administrative Expense Fund was $\$ 19,222.02$. The available Administrative Expense funds are anticipated to be used for the payment of the current year administrative expenses. As a result, there are no funds anticipated to be available in the Administrative Expense Fund to reduce the 2023-24 Annual Installment.

## E. Annual Installments Per Unit

The Actual Costs of the portion of the North Improvements to be financed with the North Improvement Area Bonds shall be allocated to the North Improvement Area Assessed Property by spreading the entire Assessment across all Parcels and Lots within the North Improvement Area based on the ratio of the estimated build out value of each Lot to the total build out value for all Parcels within the North Improvement Area.

The outstanding number of units, total outstanding Assessments, percentage of total Annual Installments, total Annual Installments, and Annual Installments per unit for each Lot Type are shown in Table II-E-1 below.

The list of Parcels within the PID, the number of units to be developed on the current outstanding residential Parcels, the total outstanding Assessment, the annual principal and interest, the Administrative Expenses, and the Annual Installment to be collected for 2023-24 are shown in the Assessment Roll Summary attached hereto as Appendix B.

## F. Bond Redemption Related Updates

The North Improvement Area Bonds were issued in March 2016. Pursuant to Section 4.3 of the Indenture of Trust, the City reserves the right and option to redeem the North Improvement Area Bonds before their scheduled maturity dates, in whole or in part, on any interest payment date on or after March 15, 2026, such redemption date or dates to be fixed by the City, at the redemption prices and dates shown in the Indenture of Trust.

The Administrator has conducted a preliminary evaluation of the current refunding market conditions, recent PID bond refunding transactions, and other relevant factors. Based on this preliminary evaluation, the Administrator believes a refunding of the North Improvement Area Bonds does not appear viable at this time. The Administrator will continue to monitor the refunding market conditions, applicable PID bond refunding transactions, and other relevant factors to determine if refunding becomes viable in the future and will inform the City accordingly.

## III. UPDATE OF THE ASSESSMENT PLAN

Pursuant to the Amended and Restated Service and Assessment Plan adopted by the City Council, the Actual Costs of the portion of the North Improvements to be financed with the North Improvement Area Bonds shall be allocated to the North Improvement Area Assessed Property by spreading the entire Assessment across all Parcels and Lots within the North Improvement Area based on the ratio of the estimated build out value of each Lot to the total build out value for all Parcels within the North Improvement Area.

This method of assessing property has not been changed for 2023-24 and the Annual Installment allocation percentage calculations shown in Appendix B, and the Assessed Property will continue to be assessed as provided for in the Amended and Restated Service and Assessment Plan.

## IV. UPDATE OF THE ASSESSMENT Roll

Pursuant to the original Service and Assessment Plan, the Assessment Roll shall be updated each year to reflect changes such as:
(i) the identification of each Parcel; (ii) the Assessment for each Assessed Property, including any adjustments authorized by the Service and Assessment Plan or in the PID Act; (iii) the Annual Installment for the_Assessed Property for the year (if the Assessment is payable in installments); and (iv) payments of the Assessment, if any, as provided by Section VI.G of the Service and Assessment Plan.

The summary Assessment Roll is shown in Appendix B. Each Parcel in the PID is identified, along with the Assessment on each Parcel and the Annual Installment to be collected from each Parcel.

## A. Parcel Updates

According to the Service and Assessment Plan, upon the subdivision of any Parcel, the Administrator shall reallocate the Assessment for the Parcel prior to the subdivision among the new subdivided Parcels according to the following formula:

$$
A=B \times(C \div D)
$$

Where the terms have the following meanings:
$\mathrm{A}=$ the Assessment for each new subdivided Parcel.
$B=$ the Assessment for the Parcel prior to subdivision.
$C=$ the estimated units to be built on each newly subdivided Parcel
$D=$ the sum of the estimated units to be built on all of the new subdivided Parcels
The calculation of the estimated number of units to be built on a Parcel shall be performed by the Administrator and confirmed by the City Council based on the information available regarding the use of the Parcel. The estimate as confirmed shall be conclusive. The number of units to be built on a Parcel may be estimated by net land area and reasonable density ratios.

According to the Developer and DCAD online records, three (3) single-family estate lots, 47 fiftyfoot lots, 57 thirty-foot lots, and one parcel estimated to be developed into 139 townhome units were officially recognized in the county's official roll in 2019. As a result, these respective Parcels were billed accordingly beginning in tax year 2019.

According to DCAD online records, fifteen (15) Parcels were replatted in 2020. As a result, these respective Parcels were billed accordingly beginning in tax year 2020 .

According to DCAD online records, a final plat for the Bayside Townhomes representing one hundred thirty-nine (139) residential Parcels were replatted on October 7, 2020. As a result, these respective Parcels were billed accordingly beginning in tax year 2021.

According to the Developer, a replat for the Sunset Hospitality Addition was recorded in 2021. As a result, these respective Parcels were billed accordingly beginning in tax year 2022.

According to the Developer and DCAD online records, as shown in Table IV-A-1 below, Parcel 441107200A0010000 was subdivided into one hundred and nine (109) single family residential lots in 2022. As a result, these respective Parcels were billed accordingly beginning in tax year 2023.
