

**The Trails at Cottonwood Creek Public Improvement District
Neighborhood Improvement Area #1 – 40ft Lot
Project Overview**

The Trails at Cottonwood Creek Public Improvement District (the “District”) was created by the City Council of the City of Rowlett (the “City”) on March 17, 2020, pursuant to the Public Improvement District Act, Texas Local Government Code, Chapter 372, as amended (the “Act”), and Resolution No. RES-032-20 upon petition of the owners of the taxable real property representing more than 50 percent of the appraised value of taxable real property liable for assessment within the District and the property owners who own taxable real property that constitutes more than 50 percent of the area of all taxable real property that is liable for Assessment by the District.

The District was created principally to finance certain public improvement projects for the residential development located within the boundaries of the City of Rowlett. A Service and Assessment Plan was accepted and approved by the City Council on May 18, 2021, pursuant to Ordinance ORD-023-21 (the “Assessment Ordinance”), setting forth the plan for apportioning the costs of certain of the public improvement projects (the “Authorized Improvements”) to be assessed against properties in the District and for payment of Special Assessments with respect thereto.

On May 18, 2021 the City of Rowlett approved issuance of the City of Rowlett, Texas Special Assessment Revenue Bonds, Series 2021 (Trails at Cottonwood Creek Public Improvement District Neighborhood Improvement Area #1 Project) (the “NIA #1 Bonds”) in the aggregate principal amount of \$2,543,000 to finance, refinance, provide or otherwise assist in the acquisition, construction and maintenance of the public improvements provided for the benefit of the property in the PID.

All Neighborhood Improvement Area #1 Assessments that are not paid in full will be billed in annual installments and collected each year by the City, or its designee, as provided in the Service and Assessment Plan. **Annual Installments are billed by the Utility Tax Service and are due and payable as provided on the annual installment assessment bill.** Annual installments are expected to be billed and collected on the same schedule as property taxes. The Neighborhood Improvement Area #1 Assessments, including the annual installments thereof, are (a) a first and prior lien against the property assessed, superior to all other liens and claims except liens or claims for state, county, school district or other political subdivision ad valorem property taxes, whether now or hereafter payable, and (b) a personal liability of and charge against the owners of the property to the extent of their ownership regardless of whether the owners are named.
