

Wells South Public Improvement District
Neighborhood Improvement Area #1 – Lot Size – 60 FT
Project Overview

The Wells South Public Improvement District (the “District”) was created by the City of Celina City Council on July 14, 2015, pursuant to the Public Improvement District Act, Texas Local Government Code, Chapter 372, as amended (the “Act”), and Resolution No. 2015-34R upon petition of the owners of the taxable real property representing more than 50 percent of the appraised value of taxable real property liable for assessment within the District and the property owners who own taxable real property that constitutes more than 50 percent of the area of all taxable real property that is liable for assessment by the District.

The District was created principally for the benefit of certain property in the PID, all of which is currently located within the extraterritorial jurisdiction of the City of Celina (the “City”) and will be annexed into the corporate limits of the City. A Service and Assessment Plan was accepted and approved by the City Council on December 7, 2015 pursuant to Ordinance No. 2015-66 (the “Assessment Ordinance”), setting forth the plan for apportioning the costs of certain of the public improvement projects (the “Authorized Improvements”) to be assessed against properties in the District and for payment of special assessments with respect thereto.

The City issued the City of Celina (Wells South Public Improvement District Neighborhood Improvement #1 Project) Special Assessment Revenue Bonds, Series 2015 in the aggregate amount of \$5,790,000 pursuant to the Act, an Ordinance No. 2015-68 adopted by the City Council on December 7, 2015 and an Indenture of Trust dated as of December 1, 2015 between the City, and the U.S. Bank National Association, as trustee. The City refinanced the Series 2015 Bonds by issuing refunding bonds, the City of Celina (Wells South Public Improvement District Neighborhood Improvement Area #1 Project) Special Assessment Revenue Refunding Bonds, Series 2024 in the aggregate amount of \$4,702,000 on August 13, 2024, which resulted in reduced projected annual installments for property owners.

The Series 2024 Bonds are payable from the Neighborhood Improvement Area #1 Assessments levied against each parcel of Assessed Property within Neighborhood Improvement Area #1 of the District pursuant to the Assessment Ordinance and in accordance with the SAP.

All Assessments that are not paid in full will be billed in annual installments and collected each year by the City, or its designee, as provided in the Service and Assessment Plan. **Annual Installments are billed by the Collin County Tax Office and are due and payable as provided on the annual installment assessment bill.** Annual installments are expected to be billed and collected on the same schedule as property taxes. The Assessments, including the annual installments thereof, are (a) a first and prior lien against the property assessed, superior to all other liens and claims except liens or claims for state, county, school district or other political subdivision ad valorem property taxes, whether now or hereafter payable, and (b) a personal liability of and charge against the owners of the property to the extent of their ownership regardless of whether the owners are named.
