I. INTRODUCTION

The Wells North Public Improvement District (the “PID”) was created pursuant to the PID Act and a resolution of the City Council on February 9, 2016 to finance certain public improvement projects for the benefit of the property in the PID. The City of Celina, Texas Special Assessment Revenue Bonds, Series 2016 (Wells North Public Improvement District Neighborhood Improvement Area #1 Project) (the “NIA #1 Bonds”) in the aggregate principal amount of \$6,425,000, and the City of Celina, Texas Special Assessment Revenue Bonds, Series 2016 (Wells North Public Improvement District Major Improvement Area Project) (the “MIA Bonds”) in the aggregate principal amount of \$3,235,000, were issued to finance, refinance, provide or otherwise assist in the acquisition, construction and maintenance of the public improvements provided for the benefit of the property in the PID. The City and the Developer entered into a reimbursement agreement in the aggregate amount of \$1,900,000 to finance, refinance, provide, or otherwise assist in the acquisition, construction, and maintenance of the public improvements provided for the benefit of the property in Neighborhood Improvement Area #2 of the PID (the NIA #2 Reimbursement Agreement”).

On December 10, 2019, the City approved issuance of the City of Celina, Texas Special Assessment Revenue Bonds, Series 2019 (Wells North Public Improvement District Neighborhood Improvement Area #2 Project) (the “NIA #2 Bonds”) in the aggregate principal amount of \$1,900,000 to fully reimburse the Developer for the unpaid balance of the NIA #2 Reimbursement Agreement.

The City and the Developer entered into a reimbursement agreement in the aggregate amount of \$995,000 to finance, refinance, provide, or otherwise assist in the acquisition, construction, and maintenance of the public improvements provided for the benefit of the property in Neighborhood Improvement Area #3 (the “NIA #3”) of the PID (the “NIA #3 Reimbursement Agreement”)

On October 13, 2020, the City approved issuance of the City of Celina, Texas Special Assessment Revenue Bonds, Series 2020 (Wells North Public Improvement District Neighborhood Improvement Area #3-4 Project) (the “NIA #3-4 Bonds”) in the aggregate principal amount of \$3,060,000 to fully reimburse the Developer for the unpaid balance of the NIA #3 Reimbursement Agreement and to refinance, provide or otherwise assist in the acquisition, construction and maintenance of the public improvements provided for the benefit of the property in Neighborhood Improvement Area #4 of the PID.

On June 8, 2021, the City approved issuance of the City of Celina, Texas Special Assessment Revenue Bonds, Series 2021 (Wells North Public Improvement District Neighborhood Improvement Area #5 Project) (the “NIA #5 Bonds”) in the aggregate principal amount of \$1,860,000 to refinance, provide or otherwise assist in the acquisition, construction and maintenance of the public improvements provided for the benefit of the property in Neighborhood Improvement Area #5 of the PID.

Pursuant to the PID Act, the Updated Service and Assessment Plan must be reviewed and updated annually for the purpose of determining the annual budget for the Authorized Improvements. This document is the annual update of the Updated Service and Assessment Plan for 2024-25 (the “Annual Service Plan Update”).

The City also adopted assessment rolls (the “Assessment Rolls”) identifying the Special Assessments on each Parcel of Assessed Property within the PID, based on the method of Assessment identified in the Updated Service and Assessment Plan. This Annual Service Plan Update also updates the Assessment Rolls for Annual Installments to be collected for 2024-25.

The Texas legislature passed House Bill 1543 as an amendment to the PID Act, requiring, among other things, (i) all Service and Assessment Plans and Annual Service Plan Updates be approved through City ordinance or order to be filed with the county clerk of each county in which all or part of the PID is located within seven days and (ii) include a copy of the notice form required by Section 5.014 of the Texas Property Code (the “PID Assessment Notice”) as disclosure of the obligation to pay PID Assessments. In light of these amendments to the PID Act, this Annual Service Plan Update includes a copy of the PID Assessment Notice as Appendix I and copy of this Annual Service Plan Update will be filed with the county clerk in each county in which all or a part of the PID is located not later than seven (7) days after the date the governing body of the City approves this Annual Service Plan Update.

Section 372.013 of the PID Act, as amended, stipulates that a person who proposes to sell or otherwise convey real property that is located in the PID, except in certain situation described in the PID Act, shall first give to the purchaser of the property a copy of the completed PID Assessment Notice. The PID Assessment Notice shall be given to a prospective purchase before the execution of a binding contract of purchase and sale, either separately or as an addendum or paragraph of a purchase contract. In the event a contract of purchase and sale is entered into without the seller provided the required notice, the purchaser, subject to certain exceptions described in the PID act, is entitled to terminate the contract.

The PID Assessment Notice shall be executed by the seller and must be filed in the real property records of the County in which the property is located at the closing of the purchase and sale of the property.

Capitalized terms shall have the meanings set forth in the Updated Service and Assessment Plan unless otherwise defined herein.

If not paid in full, the Special Assessment shall be payable in thirty Annual Installments of principal and interest beginning with the tax year following the issuance of the NIA #1 Bonds, of which twenty-two (22) Annual Installments remain outstanding.

Pursuant to the Updated Service and Assessment Plan, each Special Assessment shall bear interest at the rate on the NIA #1 Bonds commencing with the issuance of the NIA #1 Bonds. Pursuant to the Updated Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Special Assessments, the Annual Installment due for 2024-25, and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under applicable documents including the Updated Service and Assessment Plan and applicable Trust Indenture, such capitalized interest and interest earnings on any account balances and by any other funds available to the PID.

J. ANNUAL BUDGET – NIA #3

The Special Assessment imposed on any Parcel may be paid in full at any time. If not paid in full, the Special Assessment shall be payable in thirty annual installments of principal and interest. These payments, the “Annual Installments” of the Special Assessments, shall be billed by the City in 2024 and will be delinquent on February 1, 2025.

Pursuant to the Updated Service and Assessment Plan, the Annual Service Plan Update shall show the remaining balance of the Special Assessments, the Annual Installment due for 2024-25, and the Administrative Expenses to be collected from each Parcel. Administrative Expenses shall be allocated to each Parcel pro rata based upon the amount the Annual Installment on a Parcel bears to the total amount of Annual Installments in the PID as a whole that are payable at the time of such allocation. Each Annual Installment shall be reduced by any credits applied under applicable documents including the Updated Service and Assessment Plan and applicable Trust Indenture, such capitalized interest and interest earnings on any account balances and by any other funds available to the PID.

III. UPDATE OF THE ASSESSMENT PLAN

The Updated Service and Assessment Plan adopted by the City Council describes that the Authorized Improvement costs shall be allocated to the Assessed Property equally based on the equivalent number of residential dwelling units anticipated to be built on each Parcel once such property is fully developed, and that such method of allocation will result in the imposition of equal shares of the Authorized Improvement costs to Parcels similarly benefited.

Assessment Methodology

This method of assessing property, as updated in prior Annual Service Plan Updates, has not been changed and Assessed Property will continue to be assessed as provided for in the Updated Service and Assessment Plan.

(The remainder of this page is intentionally left blank)

IV. UPDATE OF THE ASSESSMENT ROLL

Pursuant to the Updated Service and Assessment Plan, the Assessment Rolls shall be updated each year to reflect:

(i) the identification of each Parcel (ii) the Special Assessment for each Parcel of Assessed Property, including any adjustments authorized by the Updated Service and Assessment Plan or in the PID Act; (iii) the Annual Installment for the Assessed Property for the year (if the Special Assessment is payable in installments); and (iv) payments of the Special Assessment, if any, as provided by Section VI.I of the Updated Service and Assessment Plan.

The summary of updated Assessment Rolls is shown in Appendix C, D, E, F, G, and H of this report. Each Parcel in the PID is identified, along with the Special Assessment on each Parcel and the Annual Installment to be collected from each Parcel. Special Assessments are to be reallocated for the subdivision of any Parcels.

A. PARCEL UPDATES

According to the Updated Service and Assessment Plan, upon the subdivision of any Parcel, the Administrator shall reallocate the Special Assessment for the Parcel prior to the subdivision among the new subdivided Parcels according to the following formula:

$$A = [B \times (C \div D)]/E$$

Where the terms have the following meanings:

A = the Assessment for the new subdivided Lot

B = the Assessment for the Parcel prior to subdivision

C = the sum of the estimated As-Built Assessed Value of all new subdivided Lots with same Lot Type

D = the sum of the estimated As-Built Assessed Value for all of the new subdivided Lots excluding Non-Benefitted Property

E = the number of Lots with same Lot Type

Prior to the recording of a subdivision plat, the Developer shall provide the City an estimated As-Built Assessed Value as of the date of the recorded subdivision plat for each Lot created by the recorded subdivision plat considering factors such as density, lot size, proximity to amenities, view premiums, location, market conditions, historical sales, discussions with homebuilders, and any other factors that may impact future as-built Lot value and any other information available to the Developer. The calculation of the estimated As-Built Lot value for a Lot shall be performed by the Administrator and confirmed by the City Council based on information provided by the Developer, homebuilders, third party consultants, and/or the Official Public Records of Collin County, Texas regarding the Lot.

The sum of the Special Assessments for all newly subdivided Lots shall not exceed the Special Assessment for the portion of the Assessed Property subdivided prior to subdivision. The calculation shall be made separately for each newly subdivided Assessed Property. The reallocation of a Special Assessment for an Assessed Property that is a homestead under Texas law may not exceed the Special Assessment prior to the reallocation. Any reallocation pursuant to this section shall be reflected in an update to the Updated Service and Assessment Plan approved by the City Council.
