

**Sutton Fields II Public Improvement District  
Neighborhood Improvement Area #1 – Lot Type B – 60 FT Lot  
Project Overview**

The Sutton Fields II Public Improvement District (the “District”) was created by the City Council of the City of Celina on October 13, 2015, pursuant to the Public Improvement District Act, Texas Local Government Code, Chapter 372, as amended (the “Act”), and Resolution No. 2015-51R upon petition of the owners of the taxable real property representing more than 50 percent of the appraised value of taxable real property liable for assessment within the District and the property owners who own taxable real property that constitutes more than 50 percent of the area of all taxable real property that is liable for assessment by the District.

The District was created principally to finance certain public improvement projects for the residential development located within the boundaries of the City of Celina (the “City”) and within the extraterritorial jurisdiction of the City. A Service and Assessment Plan was accepted and approved by the City Council on November 10, 2015, pursuant to Ordinance No. 2015-54 (the “Assessment Ordinance”), setting forth the plan for apportioning the costs of certain of the public improvement projects (the “Authorized Improvements”) to be assessed against properties in the District and for payment of special assessments with respect thereto.

The City issued the City of Celina (Sutton Fields II Public Improvement District Neighborhood Improvement Area #1 Project) Special Assessment Revenue Bonds, Series 2015 (the “Series 2015 Bonds”) in the aggregate amount of \$11,560,000 pursuant to the Act, an Ordinance No. 2015-55 adopted by the City Council on November 10, 2015 and an Indenture of Trust dated as of December 1, 2015 between the City, and the U.S. Bank, N.A. as trustee. The City refinanced the Series 2015 Bonds by issuing refunding bonds, the City of Celina (Sutton Fields II Public Improvement District Neighborhood Improvement Area #1 Project) Special Assessment Revenue Refunding Bonds, Series 2024 in the aggregate amount of \$9,412,000 on August 13, 2024, which resulted in reduced projected annual installments for property owners.

All Assessments that are not paid in full will be billed in annual installments and collected each year by the City, or its designee, as provided in the Service and Assessment Plan. **Annual Installments are billed by the Denton County Tax Office and are due and payable as provided on the annual installment assessment bill.** Annual installments are expected to be billed and collected on the same schedule as property taxes. The Assessments, including the annual installments thereof, are (a) a first and prior lien against the property assessed, superior to all other liens and claims except liens or claims for state, county, school district or other political subdivision ad valorem property taxes, whether now or hereafter payable, and (b) a personal liability of and charge against the owners of the property to the extent of their ownership regardless of whether the owners are named.

### Example of TIRZ Credit Application

The property in the PID is also located in the City of Celina Tax Increment Reinvestment Zone No. 4. The City has committed to use approximately 13.22% of the annual incremental City ad valorem property taxes collected from a property in the current tax year as a credit (the “TIRZ Credit”) to reduce the PID annual installment of assessments due in the following year. The following hypothetical example illustrates the application of the TIRZ Credit:

A) Estimates for illustration purposes:

Estimated prorated base year (2015) taxable value = \$1,000

Estimated current year (2024) taxable value = \$328,000

Estimated current (2024) incremental value = \$327,000 (i.e. \$328,000 - \$1,000)

Estimated current (2024) City tax rate per \$100 of taxable value = \$0.612154

Estimated PID current (2024) annual installment of Assessment = \$1,697

Estimated PID next (2025) annual installment of Assessments = \$1,790

B) Estimated City incremental tax:

\$2,002 [i.e.,  $(\$327,000 \div 100) \times \$0.612154 = \$2,002$ ]

C) Estimated TIRZ Credit:

\$264 (i.e.,  $\$2,002 \times 13.22\% = \$264$ )

D) PID current annual installment due (2024):

\$1,697 with no prior year TIRZ Credit

E) Estimated PID next annual installment due (2025):

\$1,526 (i.e.,  $\$1,790 - \$264 = \$1,526$ ) after application of the \$264 TIRZ Credit

**PLEASE NOTE THAT THE ABOVE CALCULATIONS ARE ONLY INTENDED TO ILLUSTRATE APPLICATION OF THE TIRZ CREDIT AND DO NOT REPRESENT ANY ACTUAL OR PROJECTED AMOUNTS OF TAXABLE VALUES, CITY TAX RATES AND PID ANNUAL INSTALLMENTS.**
